● Beverly Hills high school has been compared to a country club because of its spacious and beautiful campus; yet it has one of the highest scholastic ratings in the country, and its students are known throughout the nation for their outstanding work in forensics, art, journalism, and music.

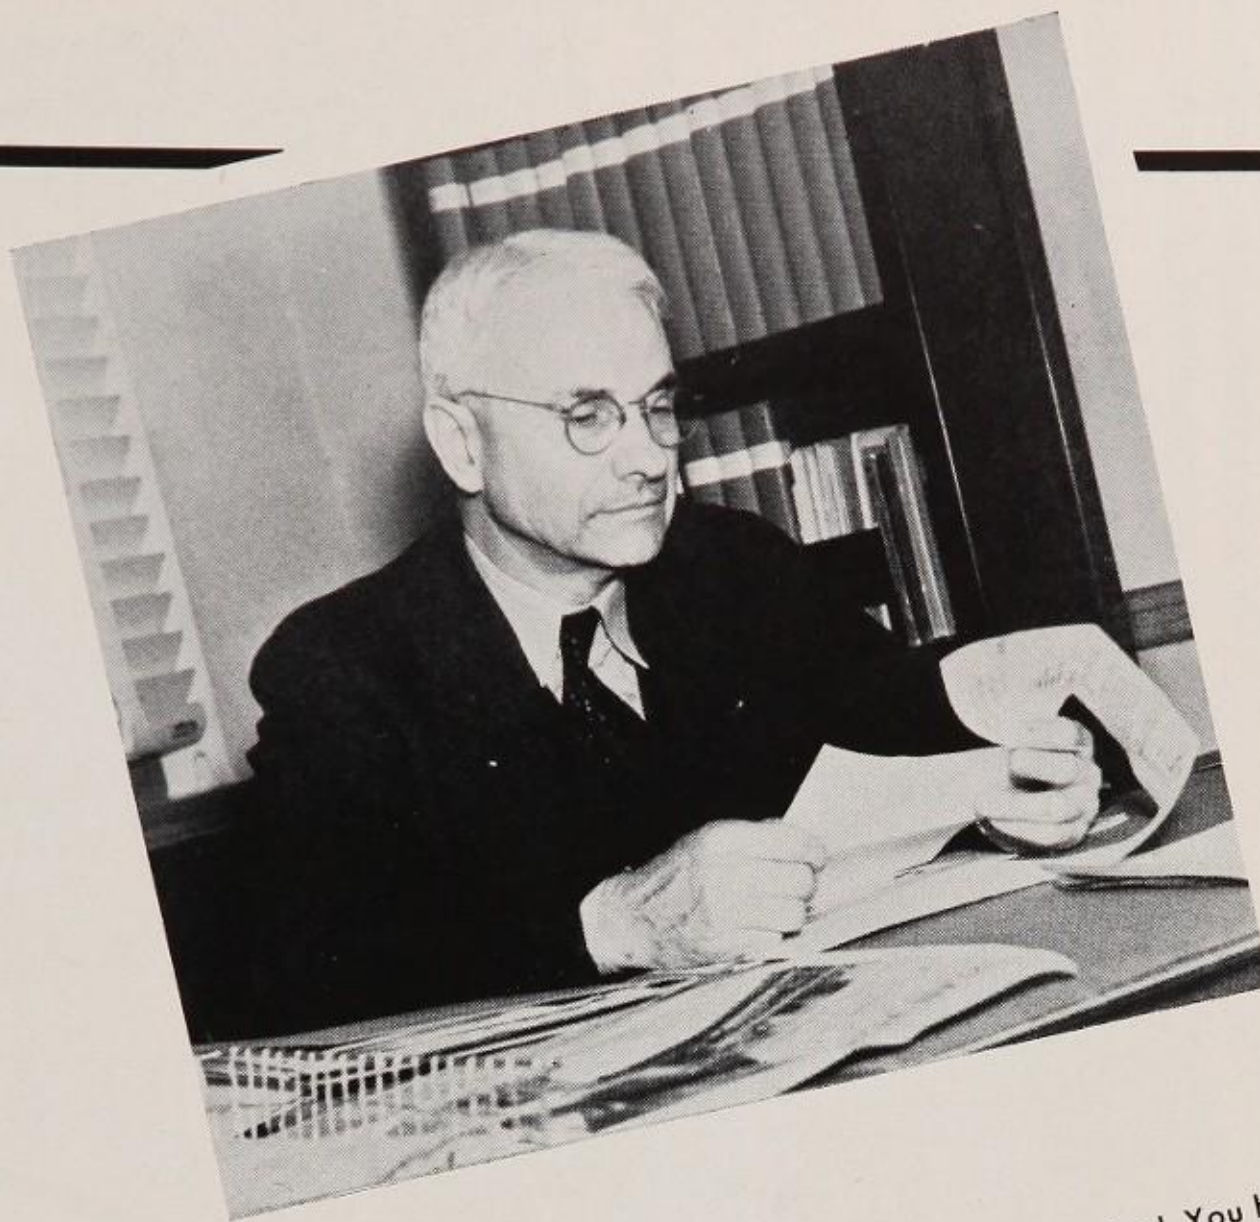

As well as national fame, Beverly enjoys the praise of its own students. The rolling terraces, the lunch patio, the clubs, and the student government will long be remembered by the graduating classes. The informal spirit prevailing in all activities on the campus inspired the Watchtower staff to choose "Life at Beverly" as the theme of the 1940 Watchtower and to carry it out by means of the division sheets, cartoons, and informal layouts.

Because Dr. Merton E. Hill, superintendent of Beverly Hills public schools, is a new member of the administration and of our school life, he was asked to write the foreword to our book.

To the Student Body of Beverly High:
Dear Friends,

● Congratulations upon your having completed another fine year of public school training! You have helped your school become a better institution and now you will go forth during the summer to make your contribution to your country.

May you do your part to make the word "American" equal to the glorious history of our nation. You can effect this by always doing your best, by performing useful and constructive work, by making your fair city respected through your worthy living, and by holding aloft the highest ideals of American life. Wherever you go, be masters of your conduct, aspirants to service where energy, loyalty, efficiency, and scholarship are needed. Under these conditions your homes and your school will feel a just sense of pride in your achievement.

Sincerely your friend,
MERTON E. HILL

Board of Education

● Through the tireless efforts of the Board of Education, Beverly Hills High School is the proud owner of a new gymnasium and swimming pool this year. Always devoting its time to bettering our school, the Board, through this new structure, has helped to make Beverly one of the finest equipped high schools in the country.

Two new members joined the Board this year and are graciously donating their time and efforts towards the furthering of educational and social opportunities of the students.

Composing the Board are President Josephine H. Fitger, Secretary Wiley N. Caldwell, John F. Starr, and the two new members, Dorothy C. Fess and Robert M. Dulin.

Beverly's student body would like to thank the Board for its outstanding work this past year in guiding Beverly Hills High School to an even greater future.

● The Beverly Hills High School is a wonderful place to be—a place where fine spirit, clean sportsmanship, sincere friendliness, and mutual respect abound. We must guard jealously these attributes and work constructively if we are to hold that indefinable something that has made Beverly more than just another school.

No institution ever stands still—it either goes forward or slides back. Nor are we as individuals exempt from the responsibility that this entails. Individually, we must act so that Beverly will be proud to acknowledge us as her representatives. Collectively, we will deserve then to share that all pervasive something too fine to analyze and too subtle to understand, but which is responsible for the real Beverly, and which makes it peculiarly our own.

● There are many factors which determine the success or failure of an individual. The student who has the ability to apply the knowledge he receives in the classroom to the practical problems of life will find that such an ability is one of the primary factors of success. Education should be of lasting value and the principles involved in daily lessons must be retained for future application.

There are other values that you should receive from your high school. Your student body has provided you with opportunities for service which have cultivated your powers of leadership, ability to co-operate with your associates in worthwhile enterprises, and assisted you in the development of good citizenship.

As the school year comes to a close, I am sure you can look back upon your accomplishments and feel that your past year at Beverly Hills High School has been worth all the effort and energy that you have put into it. You are to be congratulated upon your fine spirit, and I wish each one of you a pleasant vacation and I hope that your coming years will continue and be filled with worthwhile activities and accomplishments.

FIRST SEMESTER

● I am writing this farewell message to you during a moment of regret and sadness, regret that the activities of the last four years must cease, and sadness that I must leave the school, the friends, and the enjoyment that have enriched my life throughout this time.

During these four years, I have seen Beverly progress, progress not only until it predominates as an educational institution, but also until its student loyalty and spirit are on the highest level ever reached at Beverly.

In leaving I would like to express my genuine appreciation to the students, to the faculty, and to the administration for the assistance that you have extended the Board of Commissioners and myself during our term of office.

In the future may Beverly continue to grow in the essentials of a successful student body until it ranks supreme, and may each of you have all of the success of which you are deserving.

SECOND SEMESTER

● Four years ago we entered Beverly as freshmen. We were weak in mind, frail in body, and undeveloped in character. We looked forward to good times and perhaps a little education if time permitted. We had no goal, no ambition toward which we might direct ourselves. We were, briefly, unprepared to meet any handicap or problem which might present itself.

Now, four years later, we graduate from Beverly as seniors. Time has greatly changed us. We are no longer weak and frail, but sturdy and strong. We have been guided and directed by a most willing and co-operative faculty. We have been helped and made happy by the sincere loyalty and friendship of people who have proved themselves to be Normans. The time has proved to be most worthwhile because of the many opportunities that have been opened for us. Because of the assistance of these teachers and friends, we leave Beverly enriched in wisdom, a step higher in education, and with a fuller understanding of life and its purpose.

Thank you for this evolution and thank you for your loyalty and co-operation in making my term of office a most enjoyable one.

Girls' League

● Governing the girls' activities in the high school is the job filled by the officers of the largest organization for girls in the school—the Girls' league.

When each girl enters Normandy in the ninth grade, she becomes a member of the league and is thereby entitled to participate in the social affairs presented by the league cabinet.

The league cabinet itself is made up of officers elected by the girls, who in turn elect five committee heads, an historian, and a lower grade representative. In addition, the commissioner of girls' welfare, commissioner of girls' athletics, and the president of the Alphas sit in on the cabinet meetings.

Beginning the fall semester, the semi-annual Big and Little Sister party was held on October 4 to acquaint the new members of the league with the activities and the officers of the group. The teas for lower and upper grade mothers were held on October 25 and November 29 respectively. Starting the plans rolling for the traditional Albion street Christmas party, the annual Doll show began on December 4 and continued throughout the week. The proceeds from this event went towards financing the Albion party which was held on December 15. On December 8 the Girls' and Boys' leagues combined to give a student body dance.

The spring semester got under way with the presentation of the Big and Little Sister party on February 28. Following this, the teas for mothers of the lower and upper grade students were given on April 4 and May 1. These concluded the league's activities for the year.

Boys' League

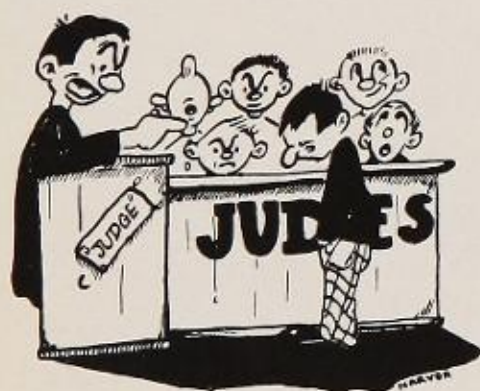

● Automatically becoming a member of the Boys' League is the first step towards school leadership a boy takes upon entering Beverly. A group of ten leading boys are chosen by the members of the league each semester to govern the group. In the cabinet are a president, vice-president, secretary, treasurer, and six associate judges of the Boys' court.

Ablely sponsored by Mr. William C. Morrison, the cabinet meets weekly to discuss affairs of the league and make plans for aiding in the betterment of our school.

Should students need advice concerning the school laws, they appear before the combined cabinet and court for the purpose of receiving counsel.

A highlight of Boys' league activities each year is the presentation of the Big and Little Brothers' party, which is held each semester to acquaint the incoming freshmen with the school activities and leaders.

Another feature of the Boys' league is the annual assembly put on for all the members of the league.

Girls' and Boys' Courts

● Beverly's two judicial bodies, the Girls' and Boys' courts, face the task of enforcing the school rules and the taking of disciplinary measures against any student who might fail to abide by the rules.

The Girls' court consists of six associate judges and the commissioner of girls' welfare. The latter is the chief justice of the court and takes charge of the court procedure.

Meeting every Wednesday, the court was sponsored for the fall semester by Mrs. Grace Rathwell and during the spring semester by Miss Mary Buttrick.

Six judges and the four officers of the Boys' league make up the Boys' court. With their cases handled much in the same manner as the Girls' court, the president of the league acts as the head of the court.

Also meeting on Wednesday, the Boys' court was under the sponsorship of Mr. William C. Morrison during the past year.

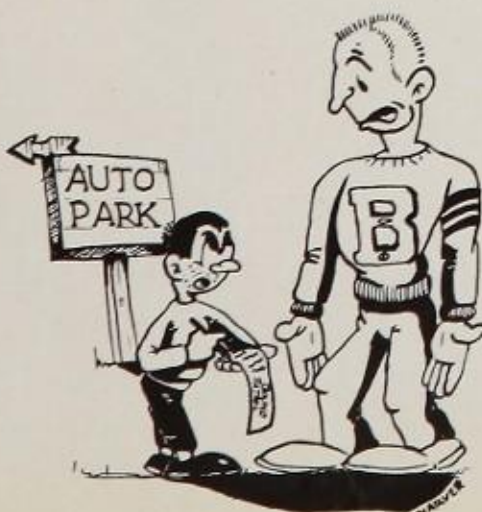

Guards and Patrols

● Three of Beverly's little-rewarded and yet most valuable groups are the hall guards, auto patrol, and bounds committee. All of these groups are under the direct supervision of Mr. William C. Morrison, who devotes much of his time towards making these groups function properly.

It is the duty of hall guards to keep the halls clear of students during the period in which classes are in session. Due to the effort of these loyal Normans, the halls have become much quieter and give students more of a chance to study.

Beverly's auto patrol is in charge of keeping the cars in the parking lot during the regular school day. Another duty of this patrol is to inspect neighborhood gathering places for students who have violated school rules and have gone off bounds.

Keeping students on bounds during school hours is the job which is handled by Beverly's bounds committee.

Color Day W '40

● "Seven Keys to Baldpate" was the theme for Color day of the class of Winter '40. This performance of the senior class starred Joe, the janitor's helper (played by Dick Simon), who possessed seven keys to the auditorium, but by fair means and foul, he was relieved of all the keys by students who desired the quiet of the auditorium to write scripts for Color day. The pair that finally emerged victorious with the Color day script was Herbie and Mike, otherwise known as Bob Benton and Bob Lapham.

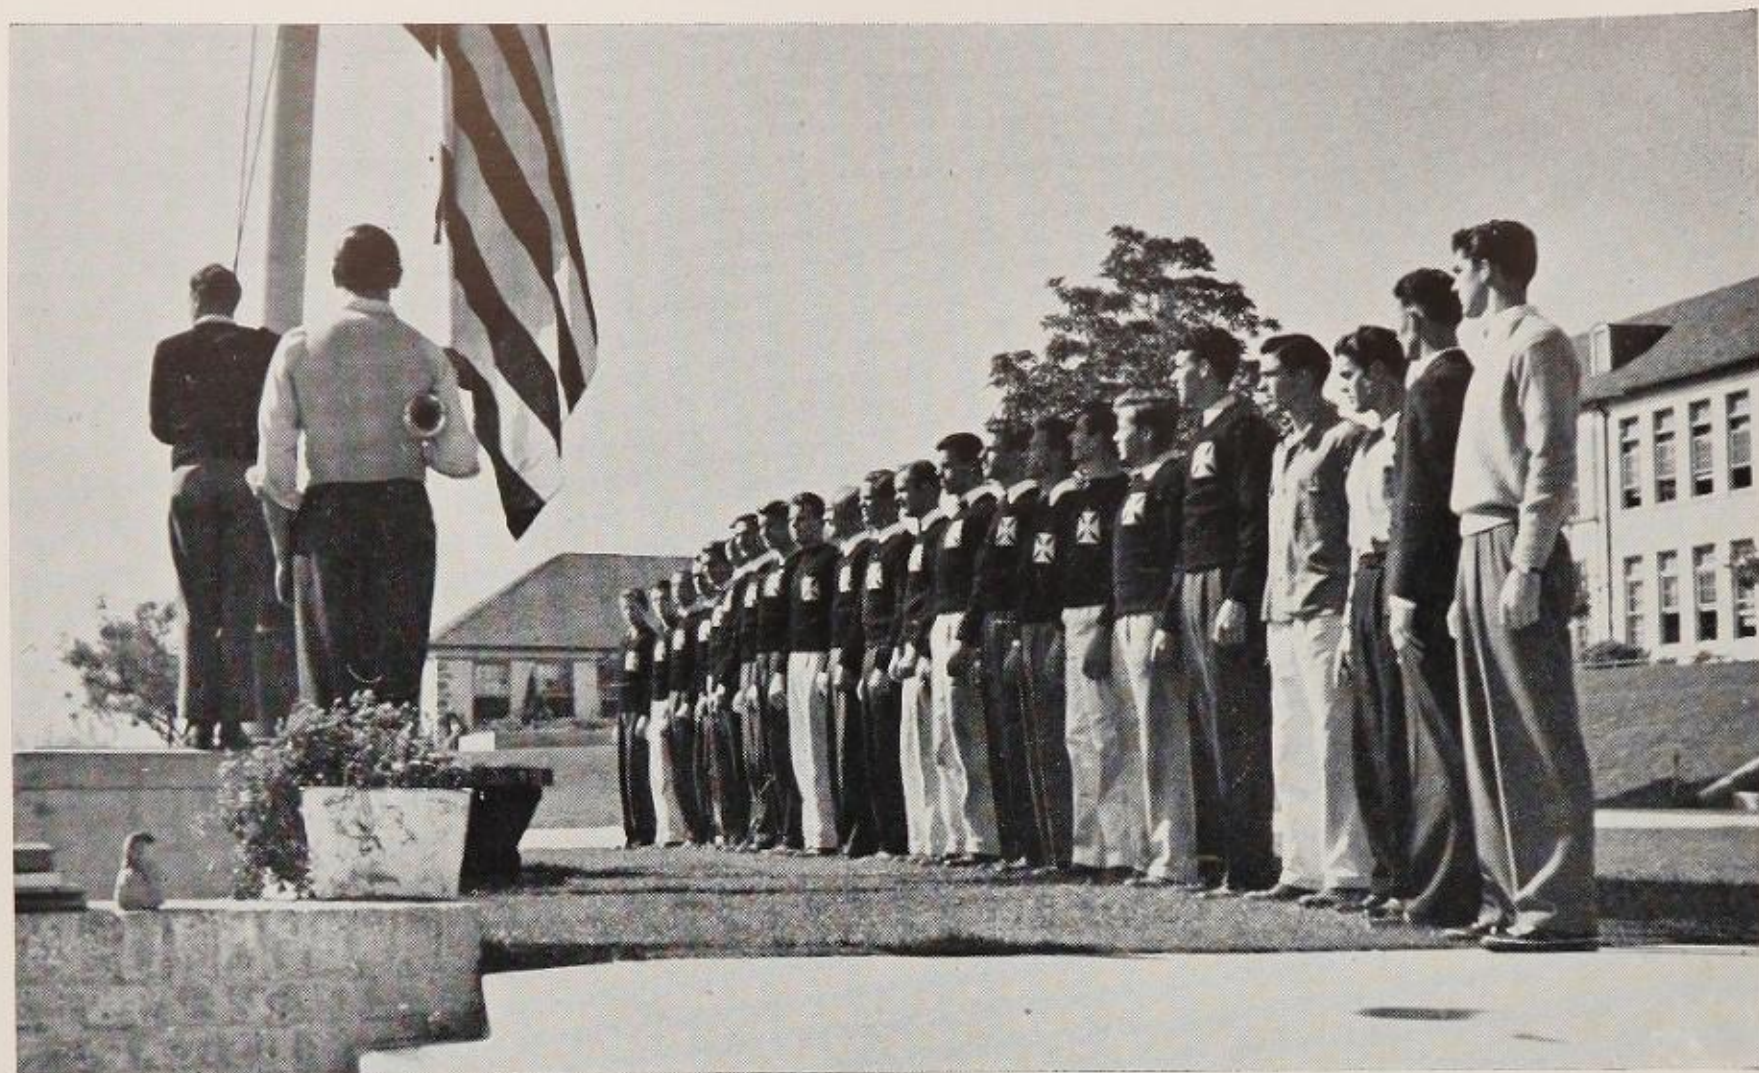

The action took place in a hunting lodge cleverly constructed on the stage. Outstanding acts were four ghosts (Courtaney Perren, Louise Brough, Beverly-Joyce Newman, and Beverly Douglass), who related school gossip, magic tricks by Charles May and his troupe, vocal solos by Laura Seabury and Hugh Bader, a violin solo by Jimmy Getzoff, and a swing choir.

Other instrumental numbers were piano solos by Charles Johnson and Irving Beckman and a "sweet trio" composed of Greg Young, George Wieman, and Irving Beckman.

The high point was reached when the class, in their beige and brown sweaters, joined the choir in singing the class song, "An Apple for the Teacher," written by Charles Johnson.

Student directors of this epic were Charles Walton, who was also responsible for the theme, and Nancy-Jean Laughlin. Mrs. Isabelle Wadsworth and Mr. John Padilla were faculty sponsors.

Color Day S'40

● Depression, gloominess, and utter fatigue were the symptoms of the Senior A class until Dr. Measleburg, a noted psychiatrist portrayed by Harold Jones, urged the class to get rid of its inhibitions.

From that moment on, the Senior solarium turned into a lively place full of talented people and the show was on!

Outstanding in Color day were Bill Chapman and his rendition of "It Ain't Necessarily So"; the singing waiters, Frank Schlesinger, Karl Kahmann, and Marshall Shacker; Dean of Girls Beverly Cawston; romantic couple Barbara Ziegler and John Twitchell; and oomph-girl Eli Ingram.

Other talented seniors in the cast included warblers Marie Bailey, Charlotte Calori, Earleen Warnshuis, and Dona Sue Finnen, each of whom sang a solo; Jim Blodgett, piano solo; and tap-dancer Marian Molin. Also on the program was a "La Conga" number, a so-called fashion show, and jitterbugs Nadine Phillips and Bill McEdwards.

To climax the mighty show Bill Chapman led the class in singing the Senior song written by Ashmead Scott to the tune of "Great Day" and featuring the sea-foam green cashmere sweaters.

Ashmead Scott and Bob Fish wrote the main part of the script, while Ralph Hoover acted as production chairman.

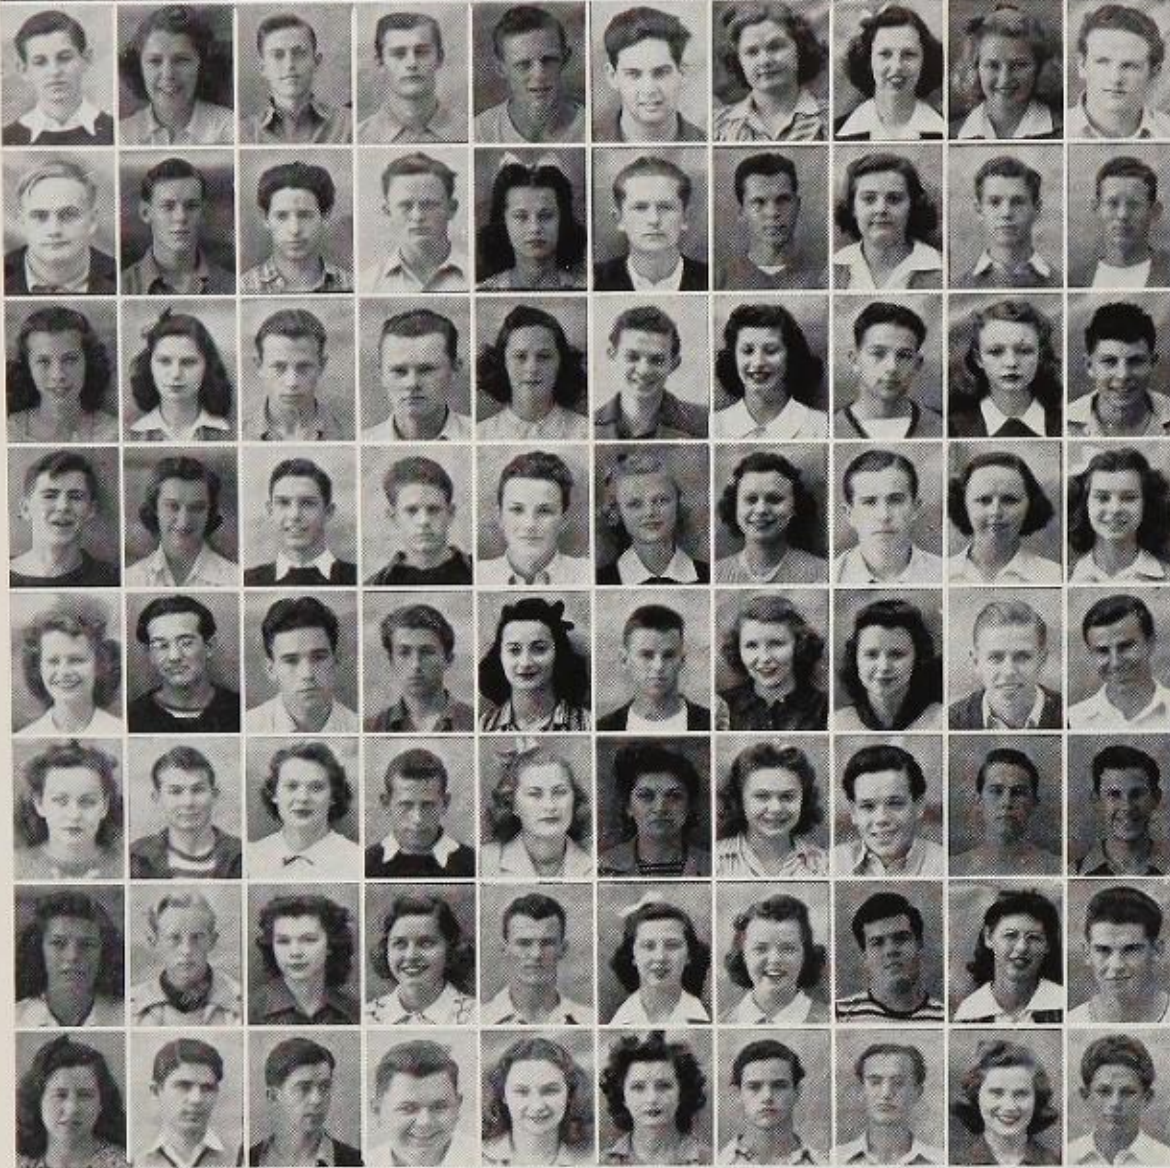

Mr. Frederic Spellicy, Mr. Charles Herbst, and Mrs. Verna Phillips gave their services as Color day sponsors.

● The Freshman council is organized for the purpose of uniting the ninth grades. This council is made up of the officers of the ninth grade and a member from each ninth grade English class.

The ninth grade class, sponsored by Mr. Leonard Steimle, is planning to continue with the tree planting ceremony, but hopes to put it on a larger scale. The class in undertaking this plan hopes to develop a certain section of the campus for its own and call it the Freshman grove. The A-9's entertained the B-9's with a dance held in the cafeteria. The ninth-graders also held their traditional beach party at Castle rock.

OFFICERS: President, Bob Bernasconi and Pat Davis; Vice-President, Pat Davis and Pat Carnahan; Secretary, Evelyn Evans and Barbara Frisbee; Treasurer, John More.

MEMBERS: Nancy de Benedict, Mike Simmons, Don Wood, Harry Matz, Bruce Clark, Richard Bowson, Van Chambers, Jim Knecht, Sidney Capplan, Janet Bone, and Arline Horowitz.

Dear Jack,
I haven't very
known you for a long time
but I hope we
will meet again
somewhere
I hope to gather
with you
soon.
Your friend,
Margaret

LITERARY STAFF

● This year it has been the object of the Watchtower staff to present an annual reflecting the school spirit that pervades the entire campus; thus the yearbook has been compiled in a more informal and modern style than before.

To Miss Ruth Wheeler, the adviser go the sincere thanks of the entire staff, because without her work, help, and advice, this year's Watchtower could not have been successfully completed.

By including informal "shots" of the faculty and various student leaders, we have endeavored to make this thirteenth edition of our yearbook more personal and attractive than previous books have been. However, the student body showed the staff its appreciation of a fine Watchtower early in the semester by putting over the all-important sales campaign.

ART STAFF

● The art staff has played an important part in planning and producing this year's annual. In co-operation with the editorial staff, the art staff worked out ideas for pictures, cartoons, layouts, and the theme itself.

The aims of the art department were the same as those of the editorial staff, in that they hoped to portray school life in an interesting and informal manner.

Appreciation is extended to Mrs. Caroline Bennett, art adviser, for her help in compiling the annual.

Highlights

FIRST SEMESTER

● In an effort to speed up publication, the Highlights staff this year began issuing the paper on Wednesday instead of Thursday. With the aid of the newly-acquired Ludlow typesetter, a more professional-looking and accurate paper has been published.

During the first semester, under the capable direction of Charles Johnson, the staff put out several special publications including a Thanksgiving, Christmas, Senior, Cub, and the newly inaugurated Sub-Cub edition. Leonard Low, editor during the spring semester, capably supervised that term's edition of the Highlights.

Credit is due to Miss Eunice Schmidt and Mr. Andrew Good, journalism and printing advisers, who ably guided both the writing and actual publication of the weekly.

SECOND SEMESTER

● Each Wednesday, stories including the major events of the week at school are sent to the Beverly Hills Citizen in the form of a column, and, in addition, separate sports' stories are published. The column was handled from September until February by Leonard Low and for the remainder of the year by Isabelle Moore, while the sports' angle was written mostly by Irving Beckman and John Champion.

In November, a state-wide journalism convention was held at National City, near San Diego, and Beverly High was allowed four delegates. Those selected by lot to represent the school were Rosalie Kaplan, Caroline Kuhns, Irving Beckman, and Charles Johnson, who attended round-tables and meetings at the two-day assemblage.

The two outstanding activities during the year for students of journalism are the semi-annual Press club banquets. Held at the end of each term, the outstanding reporters are announced, as are those editors receiving membership in the international honorary journalism society, Quill and Scroll.

The major "scoop" of the year was flashed to the school through the Highlights when the paper held up publication for student body election returns.

● "Camera," the newsreel, was presented to the student body this year with the purpose of depicting all phases of school life and activities.

Credit for the success of the newsreel goes to Bob Fish, who not only thought of the idea, but planned and produced it; to Mr. J. H. Williams, for his work, time, and advice; and to the Knights, who sponsored it. Those who helped Bob were John Straub, photography; Betty Stern, script; Jim Cooper, narrator; Walt Schoenfeld, titles; Jim Isaacs and Bill Stein, assistants.

The newsreel presented an interesting and complete picture of school activities in that it showed sports, club work, field trips, dramatics, philanthropy work, and different phases of social life.

It is sincerely hoped that "Camera" will become one of the many fine traditions at Beverly.

Stage Crew

● The Stage crew, directed by Mrs. Verna Phillips, is a group of students selected each semester from the Stage production and Stage craft classes. This group of students does all of the stage work for every assembly. Besides this, it puts on all of the Color days, the senior plays, the Shakespearean festival, and the Band and Orchestra concert. The organization has proved itself an invaluable asset in the staging of these various school productions.

O r c h e s t r a

● The schedule this year included the contest at Pasadena Junior college, where both the band and orchestra rated the highest and so qualified for the nationals, which were held at Long Beach. Both the band and orchestra placed highest with a superior rating at the national contest which is made up of schools in Nevada, Arizona, and California who have placed first in previous contests.

Several students entered in solo or ensemble divisions placed first at Pasadena and thus qualified to compete in the nationals at Long Beach, where they all placed first or second. They were Dorothy Wade and Shirley Marcus, violin; Doris Sherman, marimba; Bob Fleming, oboe; Dan Lembark, flute; Kenyon Crawford, bassoon, and Jack Phillips, drum.

Several ensembles were entered also. They were the clarinet quartette, made up of Duke Parkening, Hap Thompson, Walter Purves, and John Smith; the woodwind trio with Henry Schumake, John Smith, and Jack Schultz; the flute quartette with Dan Lembark, Jack Schultz, Richard Rowson, and Jean Block; and two more woodwind trios consisting of Duke Parkening, Jean Block, and Kenyon Crawford in the first, and Hap Thompson, Richard Rowson, and Dick Carlton in the second.

The band also marched on May day in the American Legion parade and played at football games and rallies, while the orchestra played in assemblies, concerts, and at graduation.

B a n d

● Beverly has every reason to be proud of its band and orchestra, considering the many honors they have brought us. Very few people realize the work and activity connected with a music contest. First of all, there are three required pieces that must be worked out and learned. After this, an inter-school contest is held, in which the group not only has to play rehearsed pieces, but is also judged by ability in sight reading. To the band goes the added work of marching, as perfect spacing and formations count a great deal. The group or groups coming out with superior rating are qualified to enter the national contest.

The orchestra and band are made up of many people who have been members for four years. To Mr. George Wright goes the credit for the excellent training he has given the group and the many individual talents he has brought out and trained.

A Cappella... Boys' Glee

● To the A Cappella Choir go the sincere thanks of the student body for the many wonderful performances it has given.

The A Cappella Choir is made up of both boys and girls who have been chosen for their voice quality. The main qualification is to the previous experience in one of the glee clubs. Singing without accompaniment, the voices give beautiful, richly blended tones that thrill all who hear them.

Mr. Glen Case not only trained the group as a whole, but helped improve many individual voices.

The choir participated in the Christmas pageant, at assemblies, and at a special concert which was given to raise money to buy more of the wine colored robes that it wears when performing.

The Boys' Glee club is conducted on the same basis as the Girls' Glee clubs are. It specializes in four-part work with accompaniment and has appeared in assemblies and concerts.

Probably the most outstanding of its contributions were the parts of the singing cooks, tailors, and soldiers that they depicted in "Wenceslaus," the Christmas pageant.

g i r l s ' g l e e

● Girls' Advanced Glee is all that the name implies, as it consists of girls who have had some previous experience in group singing. The singing is done in three parts with piano accompaniment, under the direction of Mr. Glen Case. Dressed in white blouses and dark skirts, the group has appeared in assemblies, at teas, in the Christmas pageant, and at a special concert.

Beginning Glee consists of girls who are novices at group singing. Many of these girls are music majors and plan to take Advanced Glee and then A Cappella choir. They are taught the fundamentals of three-part singing by Mr. Case, who uses the same methods with them as with the Advanced Glee.

For assemblies or concerts, the Girls' Advanced Glee and the Girls' Beginning Glee are often combined, as they give a fuller and richer tone quality besides supplying the opportunity for actual experience of singing to an audience.

F o r e n s i c s

● For the third straight year, Norman speakers under the direction of Mr. Charles F. Wright retained their standing as the leading forensic group in California. Contributing to this achievement were eleven major championships gained in several events in addition to excellent performances by students who did not quite reach the winners' circle.

At the start of the year Beverly captured the USC grand championship for the third time in four years, without a single first place, thus showing all-around strength in every event. High point man at the tourney was Ned Boyer, who won second in oratory and third in extemporaneous speaking. Charles Walton and Maurice Hall finished second in debate, while Pat Scheidell and Bob Vallier tied for second in dramatic declamation.

The situation at the LACC competition was reversed, where three first places were won in addition to the grand championship: Shirley Crowell, dramatic dec; Bill Martin, humorous dec; and Ruth S'Renco, oratory. Ned Boyer was second in the latter contest.

Beverly high was host to the National Forensic league district qualifying tournament in March. Three students become eligible for the National tournament: Shirley Crowell, first place in dramatic dec; Leonard Low, Senator from California to the National Student Congress; and Warren Steinberg, Representative. Other Normans who placed high in this tourney were Jacqueline White, third in dramatic dec; Ruth S'Renco, second in oratory; Bill Martin and Pat Scheidell, third and fourth in humorous dec.

The squad then journeyed to Redlands for the annual state competition, returning with two first places and the grand championship. Roddy Gorney captured humorous dec, and Jacqueline White won dramatic dec.

Forensics

● The following week Frank Mankiewicz and Leonard Low received gold gavel pins in recognition of having been voted the outstanding Representative and Senator at the Alhambra Student Congress. Leonard was also president pro tem of the Senate.

The climax of the season came the week of April 29 when Shirley Crowell, Jacqueline White, Leonard Low, and Mr. Wright journeyed to Terre Haute, Indiana, for the National contests. Jacqueline went through seven rounds of dramatic declamation competition and was awarded a silver medal for third place in the nation. Leonard was elected president pro tem of the National Senate, and later was designated the outstanding member of the National Student Congress.

At press time Beverly is tied for the lead in the Southern California Debate league. In the SCDL humorous dec tourney Roddy Gorney won another first.

The outlook for next year's squad is very promising, for the squad was composed this year of a large number of sophomores and will lose but five speakers by graduation.

The Star Wagon

● An amazing time-reversing invention dominates the theme of Maxwell Anderson's outstanding play, "The Star Wagon."

Steve Minch (Bob Benton) creates the machine with the aid of his friend, Hanus Wicks (Ashmead Scott). This remarkable invention transports the characters back to what might have happened thirty years before, had the circumstances been different.

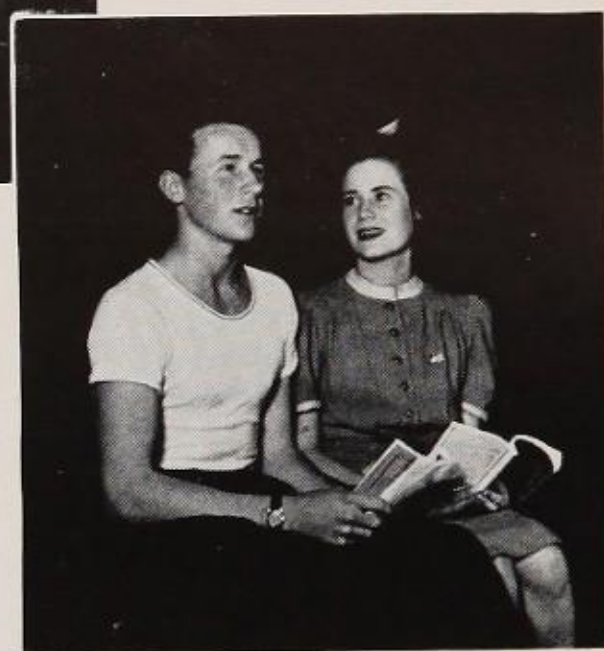

Steve learns what might have occurred if he had married his boyhood sweetheart, Hallie Arlington (Earleen Warnshuis) instead of his wife, Martha, played by Shirley Crowell. Actually, he discovers that he is much happier and better off in his present condition as a not-too-wealthy, but contented, mechanic with Martha as his wife.

Other students who contributed much to the success of this Winter class play were Harold Jones, Beverly Cawston, and Jim Cooper.

The performance was ably directed by Mr. Ward Lester, costumes were made under the supervision of Mrs. Caroline Bennett, and the sets were designed and constructed by Mrs. Verna Phillips' stage crew.

The Enemy

● "The Enemy," by Channing Pollock, was the play chosen to represent the senior class in its summer show. The play was timely in that the action takes place in Austria during the crisis of the first Great war and shows the effect it had on a Viennese family.

To provide variety Mr. Ward Lester, the director, presented a music hall scene between acts with the music of Strauss and dancing.

Prominent in the cast was Shirley Crowell in the part of Pauli; Gloria Haley as Mizzi; Tom Van Hemert, Bruce; Dick Longevan, Carl; Beverly Cawston, Baruska; Ashmead Scott, Dr. Arndt; Bill Chapman, Bherend; Lewis Cianelli, Jan; Henry Harper, Fritz.

Much of the success of the show was due to the excellent setting executed by Mrs. Verna Phillips' stage crew.

W e n c e s l a u s

● A hush fell over the audience as the curtain rose on "Wenceslaus," an original pageant by Ashmead Scott and Harold Jones.

Presented as a Christmas gift to the community by the Beverly student body, the pageant, with a cast of three hundred, was a combination of beautiful singing and dancing, colorful costumes and scenes, and fine acting and directing. All this was held together by the thread of the story, which told of the miracle Wenceslaus had in his power to perform and how he used it.

The play could not have been the success it was without the help of Mr. Frederic Spellicy, director; Miss Margaret Brown, costumes; Mrs. Verna Phillips, stage and scenery; Mr. Glen Case, director of the A Cappella choir and Glee clubs; Mr. Knauer, makeup; Miss Karen Burt, dancing; and Mrs. Marjorie Hawthorne, Verse choir.

Shakespearean Festival

● For two days and a night the walls of room 300 resounded with the emoting of Shakespearean plays.

According to Shakespearean tradition, the sets were of the simplest design. The costumes were all historically correct, and with the fine acting and beautiful musical background, the festival was presented in an interesting and colorful manner.

The festival was given for the entire English department and presented over fifteen excerpts from such plays as "Romeo and Juliet," "Midsummer Night's Dream," "Othello," "Macbeth," "Merchant of Venice," "Hamlet," and many others.

● The radio speech class is made up of thirty students chosen for their voice quality, acting ability, and writing talent. The work, to the students, is interesting and exciting. Guided by Miss Harriet Louise Touton, the group presents its work under the name of the Norman Parade. A great deal of experience is gained by work on the Norman Parade, as the students write, act, and direct their programs, which have been presented over the air, at club meetings, teas, and in assemblies.

Among the plays presented this year are "Ranch of the Gathering Waters" by Courtaney Perren, "Trumped Hearts," "Dream Girl Makes Good," "Post Script Pamela," and "The Oracle" by Kay Levy, "Mail Plane" by Lenore Greenberg, "Forever" by Mildred Cram, "Two Roads" by Chuck Johnson, "Beloved Friend" by Jean Sjogren, "What Price Romance" by Paula Mooring, "Wanted — Prince Charming" by Marilyn Meglin, and several other plays, including "The Black Strawberry," "Final Curtain," "Elizabeth and Essex," "City Bumpkin," "The Enemy," and a round table discussion on Americanism.

V e r s e C h o i r

● The Verse choir class is made up of a group of boys and girls who have been chosen according to their ability in acting and their voice quality. Mrs. Marjorie Hawthorne, the director, places a great deal of stress on individual work, diction, and enunciation. Although individual improvement is stressed, the work is done in unison, using an interesting style of delivery, which is a combination of speaking and chanting. The aims of the group are to further the enjoyment and interpretation of poetry.

The result of this work was an outstanding group who performed on a television broadcast, in assemblies, and at teas.

Vocational Conference

● Due to the success of last year's vocational conference, a second one was held this year on May 3, under the auspices of the Kiwanis club and the Commercial club. For two periods, 1600 students attended the meeting which gave information and advice on the vocation or profession which interested them most.

In order to supply the need of a great variety of vocations, about seventy speakers came to represent their various fields. The conference was planned by the Commercial club, and several students were appointed to act as chairmen of the various meetings.

Some of the fields represented in the conference were art, home economics, dramatic and motion picture art, engineering, government service, health and healing, music, accounting, agriculture, aeronautical engineering, aviation, chemical engineering, foreign trade, cosmetology, journalism and foreign correspondence, forestry, law, nursing and aviation hostess, public speaking, radio and television, teaching, scientific research, and many others.

● School spirit has increased greatly in the past year, and part of the credit for this improvement should go to the many interesting and educational assemblies that have been presented.

Rating high in the applause for the outstanding programs were the following: the fashion show, newsreel, radio speech, color day, talent show, Mr. Wellington Koo, who spoke on the Chinese situation, motion pictures, rally assemblies, a Beverly-Glendale debate, awards, and an interesting dance group.

All these assemblies have made up a wonderful schedule for the year's program, and it is to be hoped that the coming year will bring as fine a one.

COACH WALT HERREID—

This former All-American tackle from Washington State, took a light, inexperienced Beverly team under his wing this year and developed it into one of the most feared squads in the Bay league. Due to his expert coaching and leadership the Normans had a better than average season.

CAPTAIN IAN ELLIOT—One of the best all-round athletes that has ever been produced at Beverly, Elliot really hit his stride this year at fullback where the watchword for other teams was, "Get Elliot; he's dynamite." Elliot's savage blocking and tackling and his line plunging were the standouts in every game.

Varsity Gridiron Season

● Greeted by some thirty-odd green and inexperienced football men, led by captain Ian Elliot and six other returning lettermen, Coach Walt Herreid's light but fast and tricky Beverly Hills gridiron squad fought its way through the 1939 season, battling tooth and nail all the way and wound up with a better than average record.

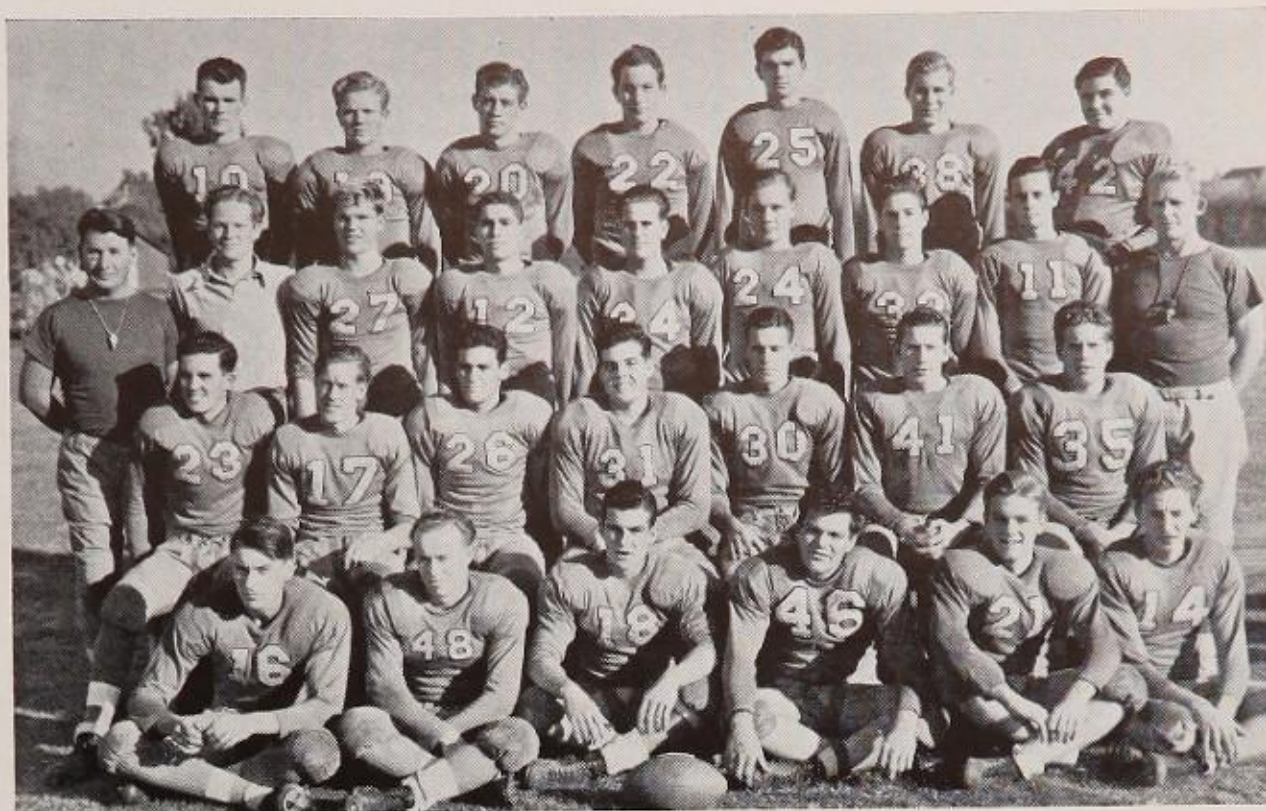

Moving Elliot to the backfield from his end post, which he had held down for three years, Herreid found only six other backs waiting for the opening whistle. Paul McKim, Clement Woods, Jack Wells, and Hartly Caldwell took care of the halfback spots, while Jack Willis and Johnny Strock did the duties of blocking quarterback, and Elliot was the plunging fullback.

In the line, returning monogram winners Bob Feldman, George Maulding, and Al Rough found themselves playing side by side with Harold Kirst, Bob Maulding, Dave Ghormley, Jack Perry, Jack Parker, Toby Freedman, Wynn Keith, and Jack Rooklyn.

Using the Notre Dame style of play for the first time, the Normans went into the Monrovia game as slight favorites and emerged with a 12 to 0 victory to open the pigskin season. Sparked by Ian Elliot, Beverly drove down the field to the five-yard line where Jack Wells went over for the first score. Bob Feldman recovered Clement Wood's fumble over the goal-line for the second and last Norman tally.

After holding the strong Glendale Dynamiters to a 7 to 7 tie score at half-time, the Normans were overpowered by the big black and red eleven in the last period and tasted their first defeat of the year, 19 to 7.

With one victory and one defeat the Normans went into the Bay league season.

REDONDO, 0; BEVERLY, 13—Taking advantage of a Redondo fumble in the first few minutes of play, the Beverly Hills grid squad opened up the Bay league season with a victory over the Sea Hawks when they scored twice in the initial half.

With Elliot and Wells alternating at the tail-back post, the Normans marched down the field, once from the Redondo 22 yard marker for six points and again, when in seven plays the Normans scored from their own 34 yard-line.

SANTA MONICA, 0; BEVERLY, 7—Picking the ball out of the air on the Santa Monica 20 yard-line, Ian Elliot raced eighty yards behind perfect blocking on an intercepted pass to the only score of the day as Beverly defeated its arch-rivals, the Santa Monica Vikings.

Although the Vikings threatened several times to cross the Norman goal-line, the great defensive play of Perry, Parker, Keith, Rough, the Maulding brothers, and the rest of the linemen were too tough to crack.

COMPTON, 19; BEVERLY, 7—A great Compton eleven spoiled the perfect Bay league record that Walt Herreid's boys had set up, when Will Scheller and Bill Rockefeller ran wild for the Tartars, taming the Normans, 19 to 7.

Elliot again stood out for the Hillbillies when he snagged a Compton pass on his own 25 yard-marker and rambled 75 yards to the lone Beverly tally. Parker, Kirst, Keith, and Rough were the line standouts for the Normans.

INGLEWOOD, 20; BEVERLY, 7—Bobby Norton passed and ran his way to victory in the fourth Bay league tilt when he was responsible for two of the three scores that the Inglewood Sentinels made in downing the Normans for their second and last defeat.

As in all the games, Elliot again was the most outstanding player on the field with Wells, Willis, Strock, Woods, and the Beverly line sharing honors for the terrific battle they put up.

LEUZINGER, 6; BEVERLY, 14—With Jack Wells doing the pitching and Bob Maulding on the receiving end the Normans completed ten out of seventeen passes to win an air victory over a stubborn Leuzinger squad as the curtain came down on the Bay league season.

Taking the lead in the first play of the second quarter, Beverly with its passes, the plunging of Elliot, Wells' end runs, and the hard-hitting line were always out in front of the Olympians.

Lightweight Pigskinners

● A good little man isn't better than a good big man. That was found out by Coach Sax Elliot's mighty bee football team during the past season, for although the Norbabes had speed to spare they were not able to cope with the other Bay league lightweight squads who outweighed them at least four pounds to the man.

Even at that, the Elliotmen showed plenty of fight and spirit by tying two of the strongest teams in the league, Santa Monica and Compton, and coming through with a hard-fought victory over the Leuzinger Olympians.

Blessed with only four returning lettermen, Elliot once again began to remold his team around another type of formation. Captain Bob Lee and Evan Williams at end and Jack Sherrill and Marshall Finck at halfbacks were the monogram winners upon whom Elliot was counting.

When the whistle blew for the opening of the season, Elliot found forty men battling for the seven remaining positions on the squad. Some were reserves from last year, while others were transfers, and a few were out for the first time.

With these men, Elliot built one of the fastest elevens in the Bay league, a team that was made up of sprinters, and with a little blocking, a team that had a potential championship within its grasp.

But out of the forty men, not one consistent blocker could be found and only a few good defensive players were turned out. On top of that Elliot didn't have a passer and his punters were only average.

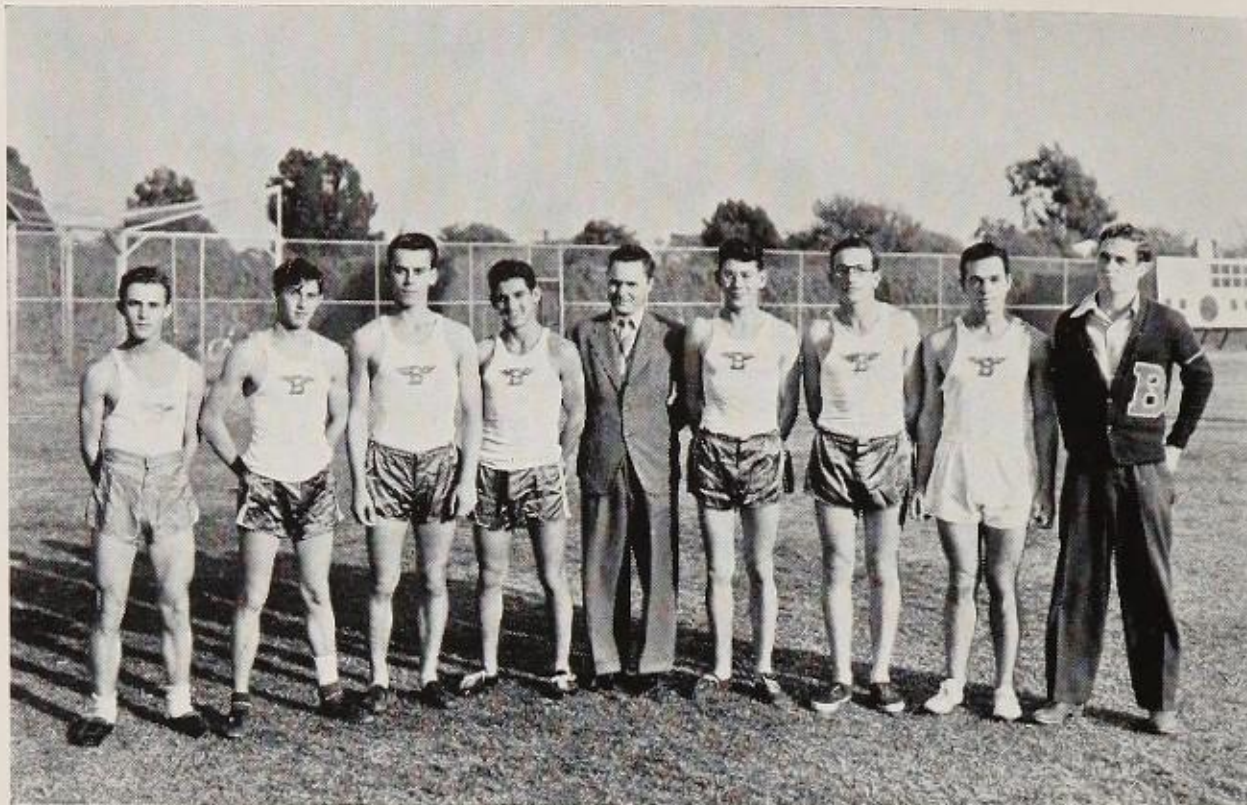

Even without blocking, the Norman speed-burners, Bill McGee, Dick Lichtenfels, and Bob Brockamp, put fear in the hearts of the rival squads.

In the line, Bob Hammond, Paul Jesberg, Johnny West, and Al Wolff stole the show; those boys stopped everything and anything that came their way.

The Norbabes really hit their stride in the Santa Monica game, when they entered the contest as decided underdogs and then came through with a scoreless tie after battling the Vikes for four hard-fought quarters. Samohi ended the season with four wins and one tie to be crowned Bay league champs.

Beverly closed the season in a blaze of glory when it spanked the Leuzinger lightweights, 7 to 0.

Although this year's record was just average, Elliot has his hopes pretty high about next year's squad. Most of the linemen move up to the varsity, but all of his first string backs are returning, which means double-trouble to the other league squads.

Cross Country

● "There's a long, long trail a winding." It was a long trail that faced the Beverly Hills cross-country team during the past season, but Coach Charles Brown's hillbillies didn't let the two hard, weary miles over hill and dale hamper them too much as they finished with a better than average record.

Captain Jerry Storm, a veteran of three years, led the pack that found Egon Kafka, Bob Holland, Vince Laura, Jack Mescall, Howard Hurd, Gil Klassy, and Bob Evans as its members.

The Normans took on Inglewood as their first and only victim of the dual meet season when Storm came through with a first place; Hurd grabbed third honors, closely followed by Laura and Kafka; Holland tied for fifth.

The Long Beach Jackrabbits gave Beverly its first defeat of the season, 13 to 21. Hurd, running one of his best races, finished a close second while Kafka and Storm ran neck and neck for fourth place.

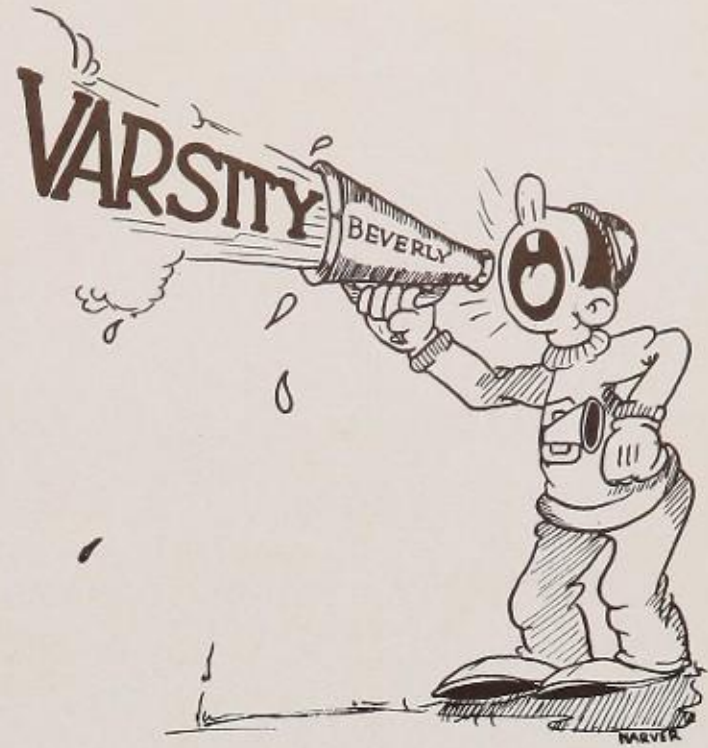

A three-way meet with Dorsey and Inglewood found the Normans coming through with a second place when once again Storm copped first honors for the orange and white. Kafka took a sixth place with Mescall taking twelfth.

The Southern California finals failed to help the Normans in their quest for a championship when only three, Kafka, Holland, and Storm, placed in the first fifteen.

COACH SAX ELLIOT — Being a former basketball star himself, Coach Elliot is well qualified in teaching the cage sport. This year, with a lack of outstanding material, Elliot put out a team that had the potentialities of a championship squad, but couldn't quite make the grade.

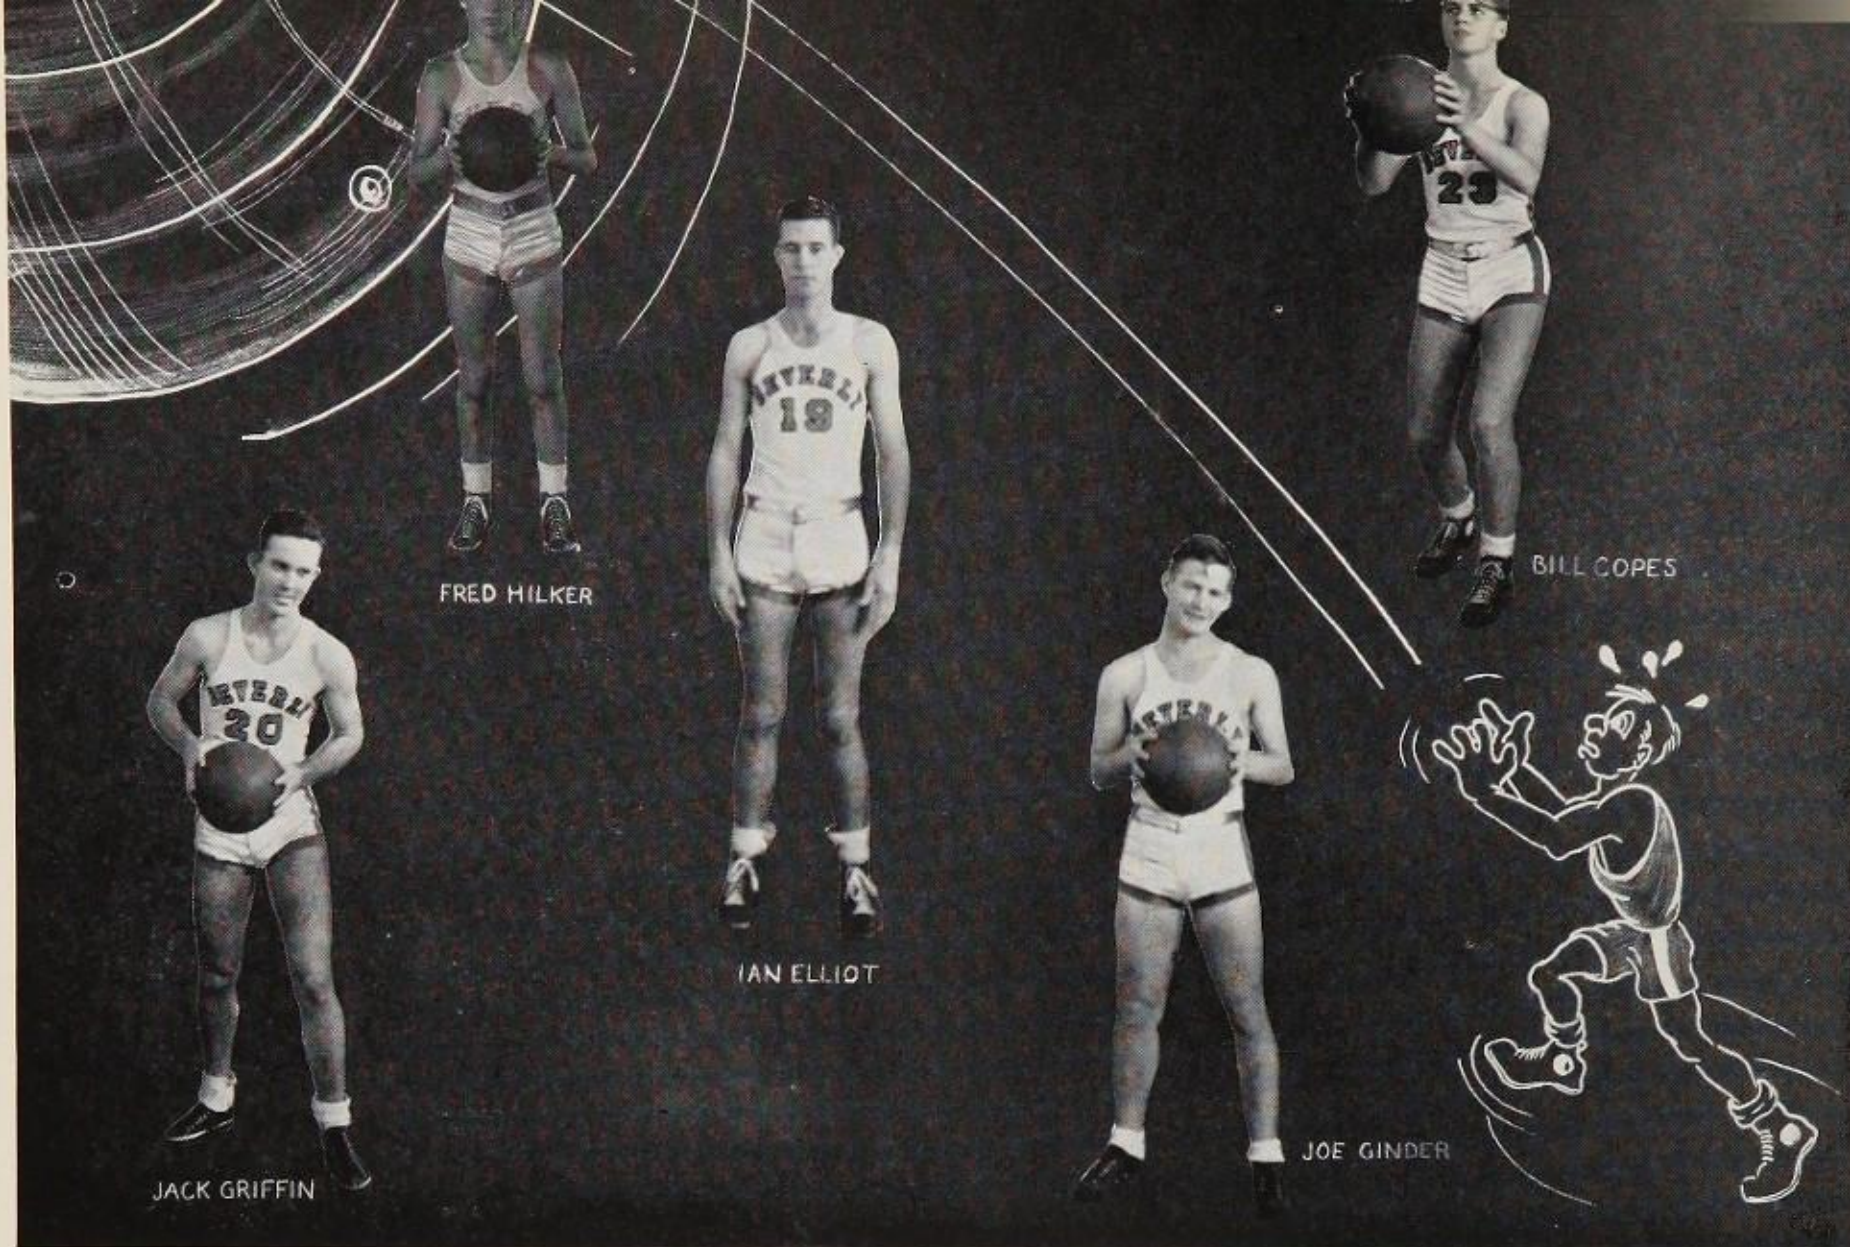

Many a basketball star at Beverly has been born through Elliot's leadership and coaching.

CAPTAIN JACK HERBST— Tall, lanky "Long John" was one of the most capable and experienced players on the ball club this year. Dividing his time between the pivot and forward positions, Herbst proved very valuable under the backboard.

Winning or losing, Herbst displayed a fighting spirit which is essential to a good basketball player.

Heavyweight Hoop Squad

● Starting the season with a green and inexperienced ball club, Coach Sax Elliot couldn't quite find a combination upon which he could depend, and consequently his varsity cagers wound up their season with a below-average record.

Changing his offense to suit his different players, Coach Elliot used two different offenses throughout most of the season.

A team composed of Capt. Jack Herbst and Ian Elliot, returning lettermen, and the rest made up of jayvee and bee players, was the sad news that greeted the varsity mentor at the opening practice.

Winning only two games out of ten league tilts, the varsity cage quintet could manage to finish only ahead of Leuzinger in the Bay league basketball race.

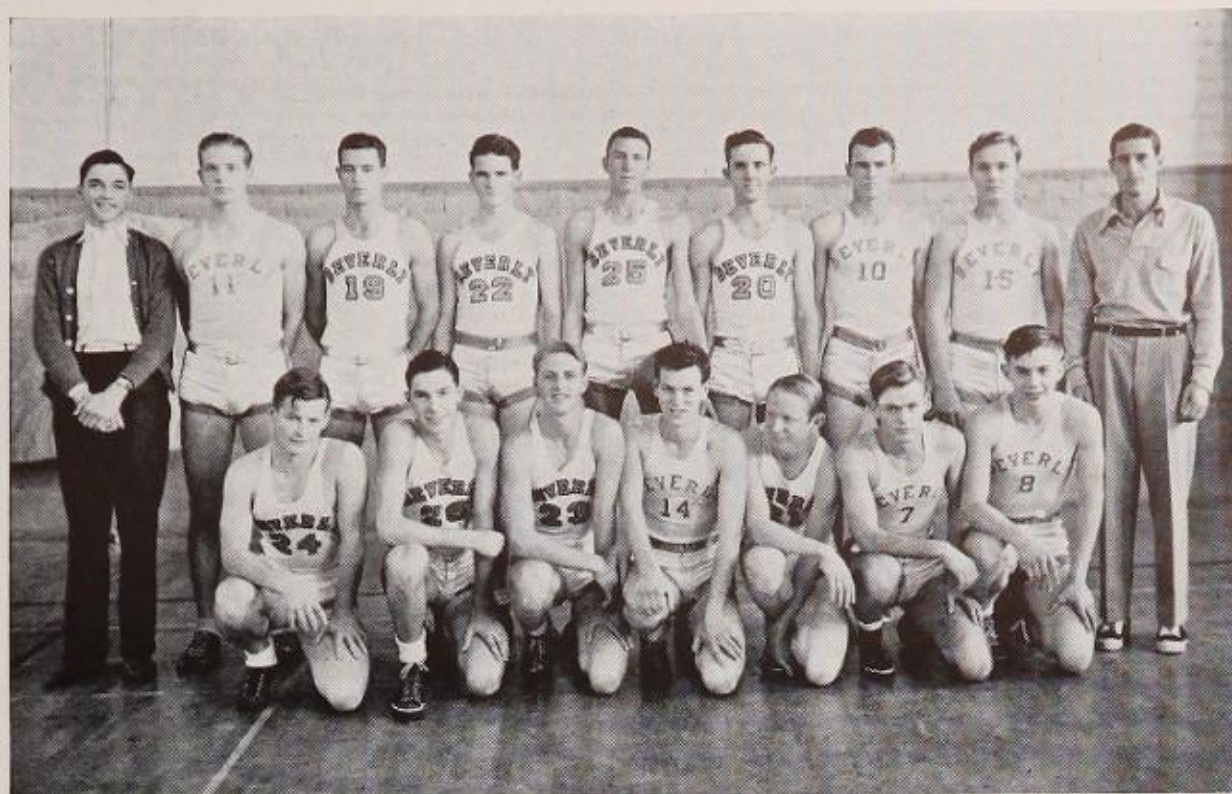

In practice games the orange and white five were on the heavy end of the score three times and on the light end five times.

Coach Elliot's crew opened its season against the highly touted South Pasadena Tigers and went down to defeat by a 20-16 margin. The Beverly five couldn't gain a victory in their next two games either, dropping tilts to Glendale and PJC Frosh by 25-13 and 23-22 margins.

Beverly's first win came when they met Hoover High and won 20-12. The Norman quintet was victorious in its next game with Alhambra by a 19-12 edge.

Playing rather sloppy ball in the Bruin gym, the varsity lost a game to the UCLA Frosh 23-16.

The last practice games the team had before the league season opened was the Chino tournament in which Beverly was defeated in the second round by Burbank 26-22 after scoring a 24-14 win over Chino in the initial round.

LEUZINGER — The Normans seemed to have the "number" of this Olympian team as their only two league wins were victories over the Leuzinger quintet.

In their opening game of the league season, Beverly managed to nip the Olympians 24-22 in a tightly contested game. Ian Elliot and Fred Hilker both turned in creditable performances for Beverly.

The final score for the second game of the series was 25-12 with both teams playing a sloppy brand of ball.

INGLEWOOD—Led by tall, heavy-set Doug Essick, the Sentinel cagers trounced the Elliotmen in both of their contests. In their first game the Inglewood five scored in the last minute of play to gain a 15-13 victory.

With the Beverly quintet failing to show much semblance of an offense, the Inglewood team had an easy time of it in the second tilt, winning this time 26-12.

COMPTON—This smooth-working Tartar club proved to have a little "too much on the ball" for the Norman five to cope with, and the orange and white squad dropped another pair of games.

Compton held the Beverly team to a lone field goal in the first half of the series opener. The second half went much the same and Compton won 23-12.

In the second game, the Tartars again showed more accuracy in their shooting and this time won 27-16.

SANTA MONICA—Furnishing the fans with many thrills, the first Samohi game proved to be a real breath-taker as the Vikings eked out a 28-26 decision.

Outstanding man on the floor was Ian Elliot, who sank several shots with uncanny accuracy to thrill the crowd to a frenzy. At the final whistle Ian had scored 17 points.

The second game found Samohi winning easily. The final score was 29-15.

REDONDO — Completely outplaying the Norman team, Redondo soundly trounced the Beverly five in both of its games. The first tilt found the Seahawks grabbing an early lead, holding it, and going on to win the ball game by a 23-14 score.

Closing the season for both teams, the Seahawks and the Normans clashed again on the Redondo floor, with the score again in the favor of the beach team, this time 24-12.

Norbabe Casaba Tossers

● Evidently content with third position, for the third consecutive year, Coach Kenny Mitchell's bee casaba tossers wound up in third spot in league standings.

Opening their season against Hamilton, the Normans swamped the Yankees, 20-8. In the following tilt, the bees dropped one to South Pasadena by a 28-22 margin. They also lost their next game, 33-24, to the PJC Frosh.

Getting back into the win column, the Norbabes were victorious over a weak Glendale team, 20-14. Providing the crowd with a thriller, the bees dropped a close one in the final minute of play to Hoover High, also of Glendale. The final score was 20-18. With the exception of Justin McCarthy who hit the hoop for 10 digits, the Norman five couldn't come close to the basket in most stages of this game.

Taken into camp 23-15 by Alhambra, the Beverly bees were back into the victory column at the final whistle of the UCLA 145 lb. game, when they took a 22-14 verdict. Leading player in this tilt was Danny McKellar, who helped the cause by scoring six valuable points from his guard spot.

The bees lost their return fray with PJC Frosh by almost an identical score as their first game, 33-22. In their final practice tilt the Normans eked out a 25-23 return game victory over the UCLA Frosh.

Final league standings showed four wins and six losses for the orange and white team. Showing their superiority both times, the bees grabbed two victories over Leuzinger, winning 17-15 and 29-14. Capt. Donnie Ingram was high scorer for Beverly in the first tilt and tied with Alex Davidson for high man in the return game.

A scrappy and fighting Compton team lost a close one to the men from Normandy in the series opener 21-18, but came back to win the second one 21-17.

A first game thriller with Inglewood found Beverly winning 16-14. The return game found the Sentinels grabbing an early lead and marching to victory 28-14.

Although losing both tilts, the bees played their best brand of ball against the league champion, Santa Monica. The beach squad won the first one 32-28 and the second 19-16.

Redondo's well balanced ball club took two more from Beverly, winning their tilts 29-18 and 19-13.

● With final Bay league standing showing them in third position, Mentor John Canady's cee casaba tossers failed to live up to pre-season predictions.

In their curtain raiser Venice drubbed them 40-17 in a high scoring affair. In their second game the cees were hosts to Hamilton and this time lost 21-7.

A return game with Venice brought another loss, this time 35-24. The cees' return game with Hamilton found the Yankees winning 16-15.

A reversal of form found the cees handing Leuzinger and Inglewood 15-8 and 14-9 setbacks in the opening league games.

Beverly returned to its losing ways in the next tilt, dropping a 25-8 verdict to Santa Monica. In the finale Redondo defeated the cees 19-12.

Mighty Midget Season

● Losing only two games and tying for the league crown, Coach John Canady's mighty dee basketball team was the most successful of Beverly's cage squads this year.

Starting the practice season with a 20-17 victory over Venice, the cagers went on to defeat Hamilton twice by scores of 19-10 and 19-4. Venice defeated them in a return-game thriller 14-13.

Opening their league season, the "mighty midgets" routed Leuzinger 20-9. Their second loss came when they encountered Inglewood, losing to the green and white team 33-15. This victory gave the Sentinels a tie for the championship.

In the two remaining games, Beverly was victorious over Santa Monica and Redondo by 13-5 and 10-9 margins.

COACH CHARLES BROWN—Adding to Beverly's athletic championships, Coach Brown, for the fifth consecutive year, turned out another title-winning track team this season to make his coaching mark even more enviable than in the past.

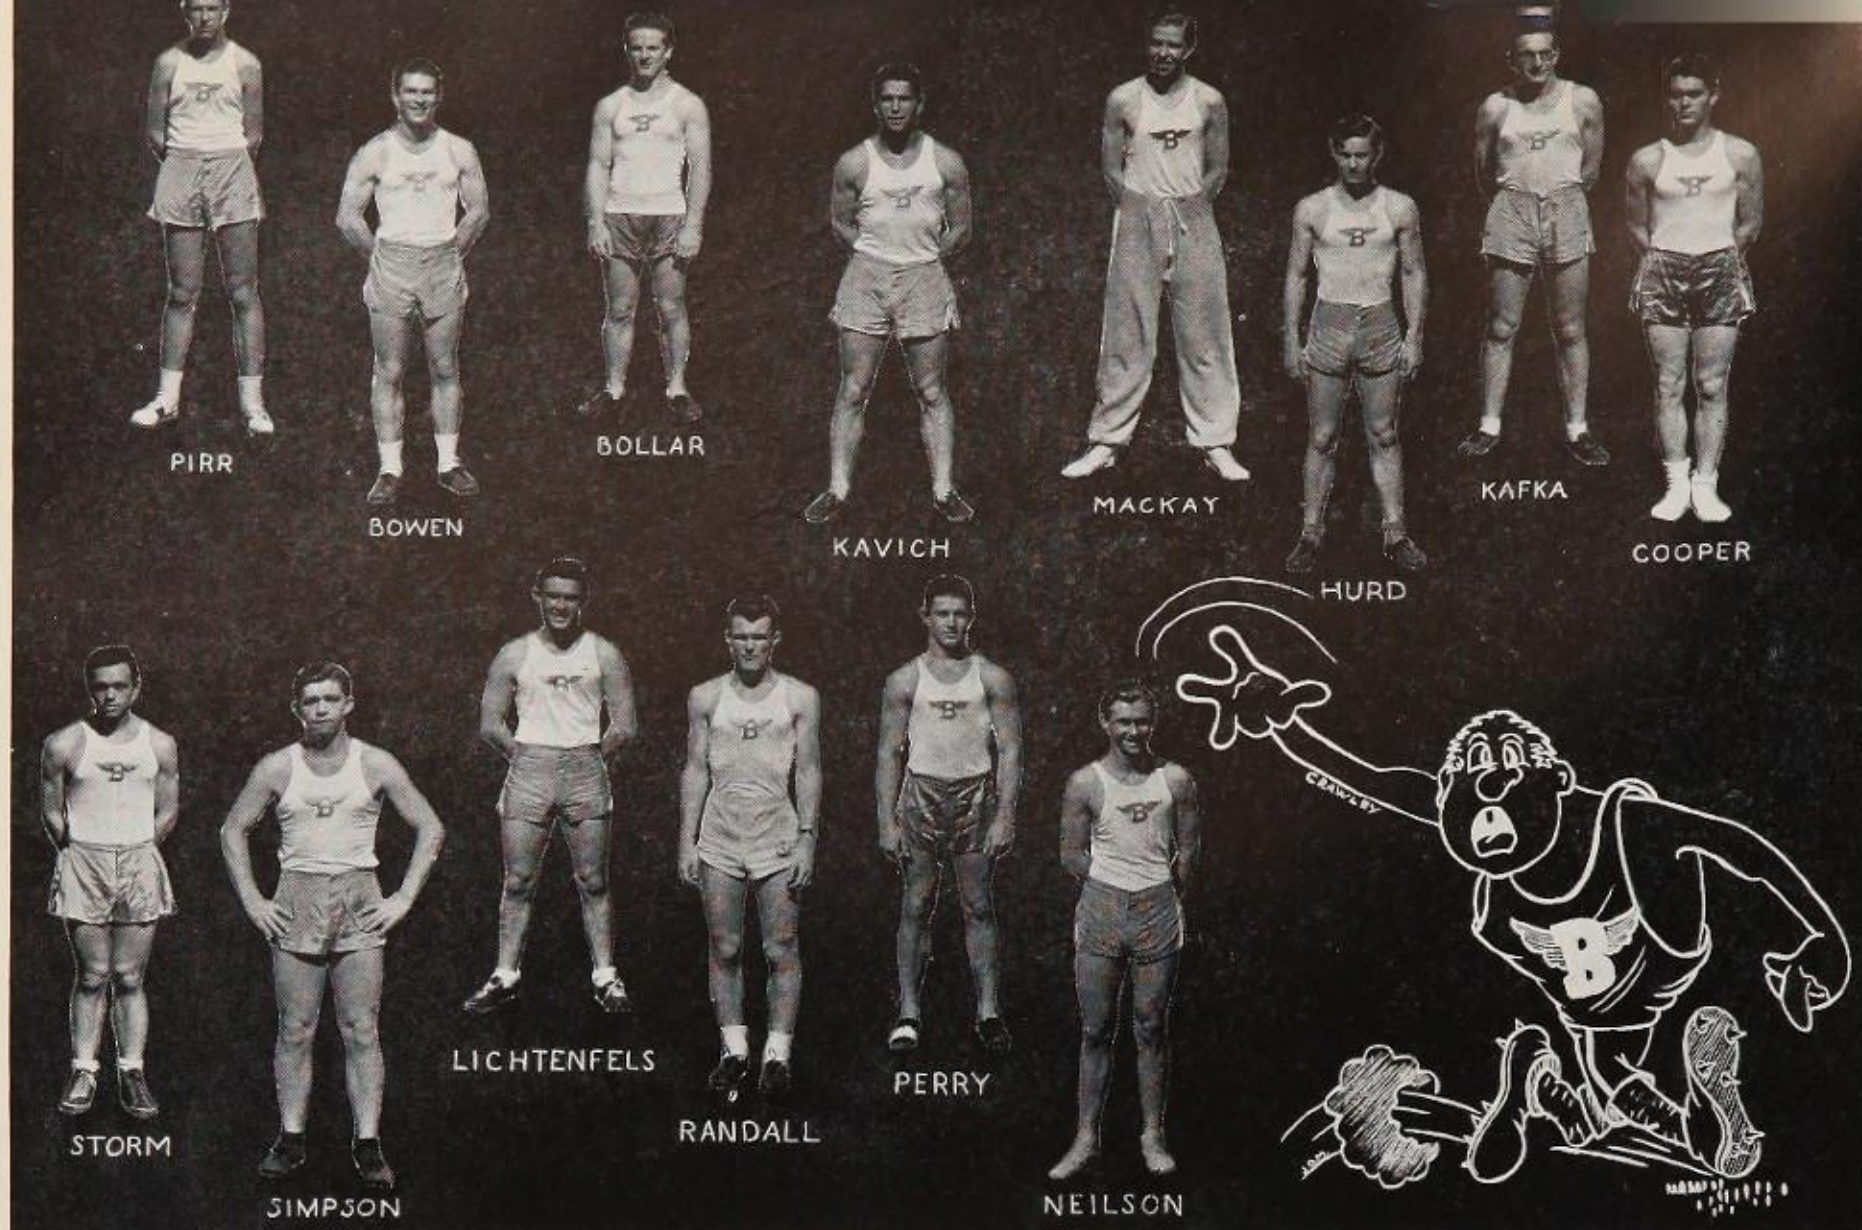

Helping to improve athletes, Coach Brown not only has made champions, but throughout his coaching career has taught the most essential factor of any athletic—good sportsmanship.

CAPTAIN BOB ULLMAN—His teammates couldn't have chosen a more capable or deserving leader than Ullman, who proved to be a worthy representative of his team.

Highest scorer on the varsity, Bob turned in many impressive victories for Beverly and showed himself every inch a champion.

Varsity Spike Season

● Not a championship group, and yet a good one, tells the story of Coach Charlie Brown's 1940 varsity track team. Winning its share of the dual meets and failing to show much in the league finals, the varsity cindermen ended their campaign after a little-better-than-average season.

Opening their season on the home oval, the orange and white team easily overpowered a weak and inexperienced Mark Keppel team, 86-24. Taking first in every event with the exception of the high hurdles, Beverly's team looked very promising at the end of this meet. Outstanding performer of the day was Bob Ullman who grabbed firsts in the century, low hurdles, and hop, step and jump. Also breaking the tape for Normandy were Larry Kavich, 220; Dick Mackay, 440; Jerry Storm, 880; Egon Kafka, mile; Dave Neilson, high jump; Jim Cooper, broad jump; Chuck Bollar, pole vault; and Johnny Champion, shot put.

Treking to Carpenteria for the annual Russel cup meet, Beverly didn't show anything resembling a championship team and came home sadly beaten. Bob Ullman in the low hurdles and broad jump, Dave Neilson in the high jump, and Larry Kavich in the 220 were the only point-winners for the Normans.

Following the Russel cup meet the orange and white team was entered in the Inglewood relays in a tune-up meet for the Bay league preliminaries.

Each Bay league school entered a team in the relays, which were held under the arcs of the Inglewood stadium, and the final score found the powerful Compton Tartars sneaking home with a two-point victory over Inglewood's classy team. The official score was Compton 46, Inglewood 44, Samohi 38, Beverly 15, Leuzinger 7, and Redondo 6.

Beverly's mile relay team took second, the two-mile squad grabbed third, and the 440 team, high jumpers, and weight teams all finished fourth to make up the Norman point total.

Norman Tracksters Defeat Samohi

● Beverly's varsity spikemen turned in their biggest upset of the season when they faced the powerful Samohi team. The meet itself wasn't decided until the final event, which the Normans won, giving them a $61\frac{1}{3}$ - $60\frac{2}{3}$ victory.

Captain Bob Ullman was the big winner of the day taking first in the century, low hurdles, and hop, step, and jump. The absence of Warren Harding, Samohi's stellar trackman, was probably the difference between the two schools.

Beverly got a tie for first in the 220 when Larry Kavich tied Santa Monica's Clague. Dick Mackay took a first for Beverly in the 440, Jerry Storm followed suit in the 880, and John Champion came through with a winning toss to take the shot put. Beverly's relay team of Kavich, Bowen, Mackay, and Ullman also copped first.

In a triangular meet held at Redondo, Beverly overwhelmed Leuzinger and Redondo to easily cop first place. The orange and white team had a total of 83 points to Redondo's 37 and Leuzinger's 32.

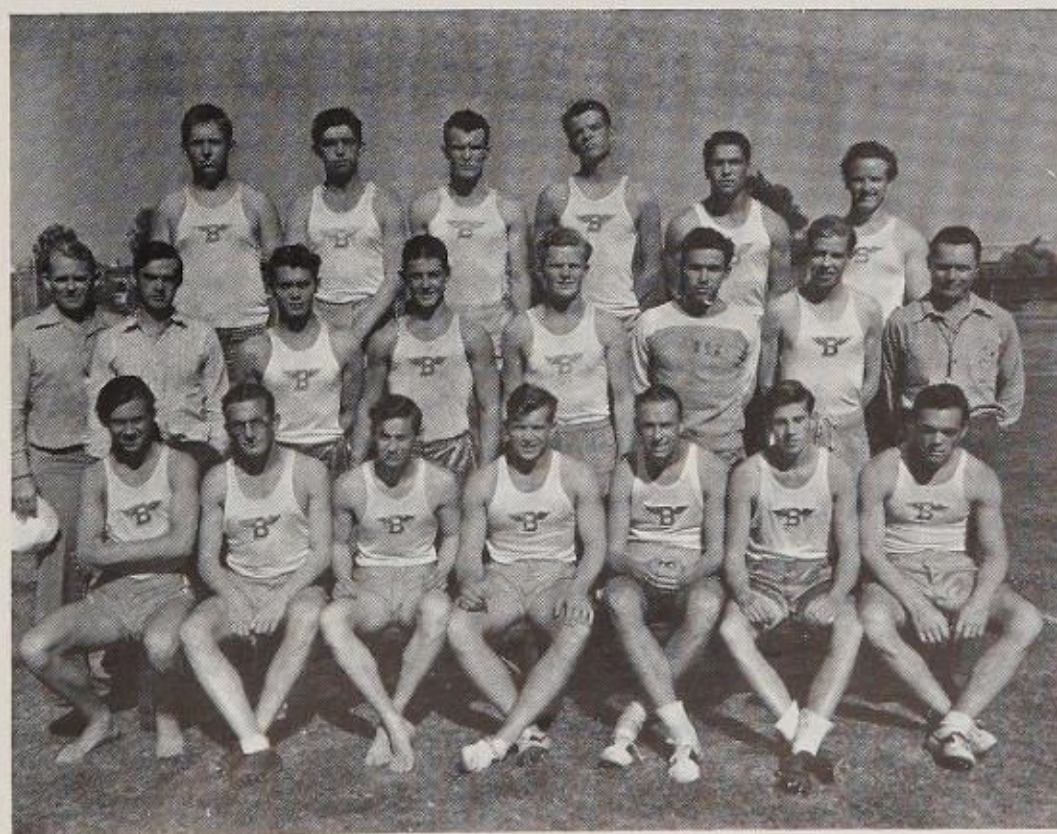

Out of a possible 14 firsts the Norman team walked home with 9 victories. Bob Ullman was again the big Norman winner, this time taking firsts in the century and low hurdle events and taking a close second in the hop, step, and jump.

Larry Kavich took the 220 in 22.9. Beverly's milers made it a clean sweep, with Jerry Storm, Egon Kafka, and Bob Holland finishing in that order. Also grabbing firsts for Normandy were Stan Bowen, high hurdles; Dave Neilson, high jump; John Champion, shot put; Phil Lombardi, discus; and Chuck Bollar and Harry Perry, tied in the pole vault.

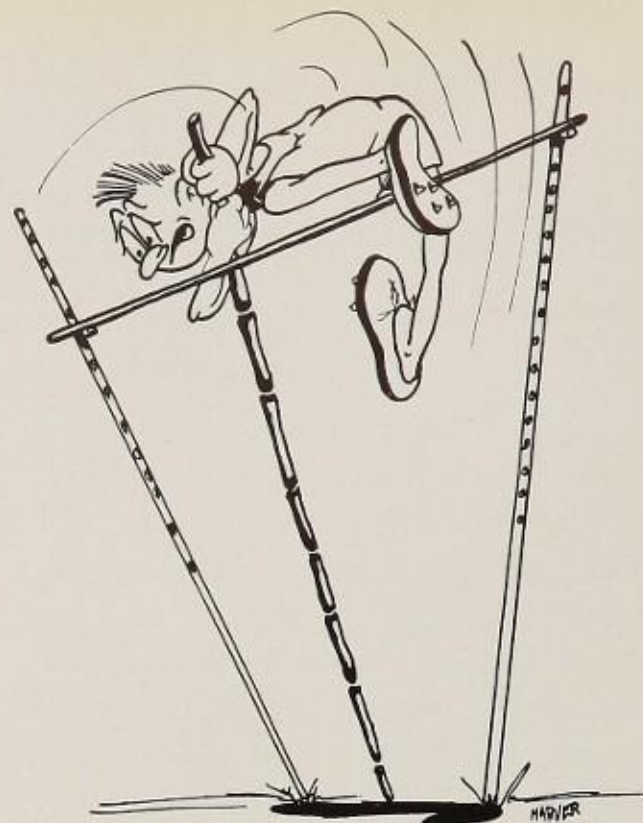

Beverly met its conqueror when it faced Inglewood's potent track outfit. The Sentinel spikemen breezed home easy victors, winning by the wide margin of $75\frac{1}{3}$ - $46\frac{2}{3}$.

Only double winner of the day was Inglewood's Frank Ferguson who copped the century and pole vault events.

Larry Kavich again won the 220 for Beverly, and Dick Mackay was a winner in the 440. Other Beverly winners were Jerry Storm, 880; Stan Bowen, high hurdles; Bob Ullman, low hurdles; and Bob Baker who tied with two Inglewood men for first in the high jump.

Varsity Track

BAY LEAGUE FINALS—Beverly's track forces failed to show much in the league finals and consequently ended up in fourth spot with 12 points.

Compton's powerful outfit took top honors and then went on to win the Southern California championship. Compared with Compton's 73 1/2, Santa Monica had 59 1/2, Inglewood garnered third place with 50, Leuzinger placed fifth with 9 digits, and Redondo trailed with 5 points.

Turning in the best performance for Normandy was Bob Ullman, who copped a second in the low hurdles behind Warren Harding of Samohi. Ullman also scored two more points for the orange and white team when he finished fifth in the century and the broad jump.

Also winning points for the Normans were Howard Hurd, who placed fourth in the 880; Egon Kafka, who ran the second fastest mile in Beverly's history to take fifth in 4:43.7; Dave Neilson, who took fifth in the high jump, and the Norman relay team which ended in fourth place.

Bee Speedsters

● Bringing Beverly another track championship, Normandy's mighty bee cinder squad was the best in the Bay league again this year.

Leading the team to victory were Captain Stan Bowen, flashy hurdler, and Dick Lichtenfels, top notch sprinter. These two boys could usually be depended upon for two firsts apiece in each meet.

Opening their season, the bees smashed their way to a one sided victory over a weak Mark Keppel outfit, winning by the overwhelming margin of 78-16. The orange and white team copped every event except the relay in which they won first, but were disqualified.

The bees fared well against Samohi, to whom they handed a 62-33 drubbing. Lichtenfels and Bob Negley were both double winners for the Normans. "Lichty" copped the 100 and 220, while Negley was first in the broad jump and the high hurdles. Oscar Samuelson took first in the high jump and Bill McGee had a winning put of 45 feet 8 inches to take the shot put.

Bob Iverson, cee captain, who was running bee, copped the 660, winning easily. Don Pehkoff gave Beverly five points when he came home first in the 1320.

The Normans lost a heart-breaker in the Leuzinger, Redondo triangular meet when the Seahawks won 55-54 over Beverly. Leuzinger was third with 9 points.

Breaking into the win column again, the bees over-powered a classy Inglewood outfit 55-39. Again Lichtenfels proved to be the outstanding Norman spikeman, winning the century and furlong.

Other winners for Beverly were Bob Chrisman, 660; Pehkoff, 1320; Negley, high hurdles; Bob Gill, high jump; and Bill McGee, shot put.

With eight teams competing, the Normans were victorious in the Carpenteria "meet of champions," winning over Santa Monica, Inglewood, Santa Barbara, Compton, Santa Ana, Anaheim, and Redondo.

In a startling reversal of form, the bees came back in the Bay league finals to breeze home with the championship. Beverly had 51 points as compared with their closest rivals, Redondo, who finished with 32.

Beverly's captain came through with high honors, winning both hurdle events and also running on the winning relay team. The relay team which was composed of Stan Bowen, Jack Bowen, McGee, and Lichtenfels, set a new school and Bay league record of 1:09.0. Another star for Normandy was Jack Dennis who copped the bee 660.

Beverly's lone scorer in the CIF finals was sprinter Lichtenfels who finished fifth in the 220.

C e e T r a c k m e n

● Taking third in the Bay league finals, Normandy's cee track team finished an average season with its captain taking first place in the 660 of the Southern California championship finals.

Leading the pack, Captain Bob Iverson broke the school record for his class in two different events this year. In the CIF finals Iverson ran 1:08.2 in the 660 event to break the school record again for the second time this season. Iverson also galloped home fifth in the finals of the low hurdles.

The cees easily defeated their first opponents, Mark Keppel, the final score showing 57 for Beverly and 20 for Keppel. Showing promise for the orange and white team were Jack Mescall, Bob Nate, Bud Jess, Don Hulbert, and Harold Metzger. Iverson ran in the bee class for this meet.

Beverly was handed a convincing defeat when it faced the cee spikemen of Samohi as the Viking squad administered a 51-25 licking to the Norman squad. The only firsts the orange and white team could garner were in the low hurdles and the 660 when Bud Jess and Jack Mescall broke the tape.

Defeating both Redondo and Leuzinger, the cees won the triangular meet held on the Seahawks' oval. Firsts were turned in again by Jess, Nate, and Mescall.

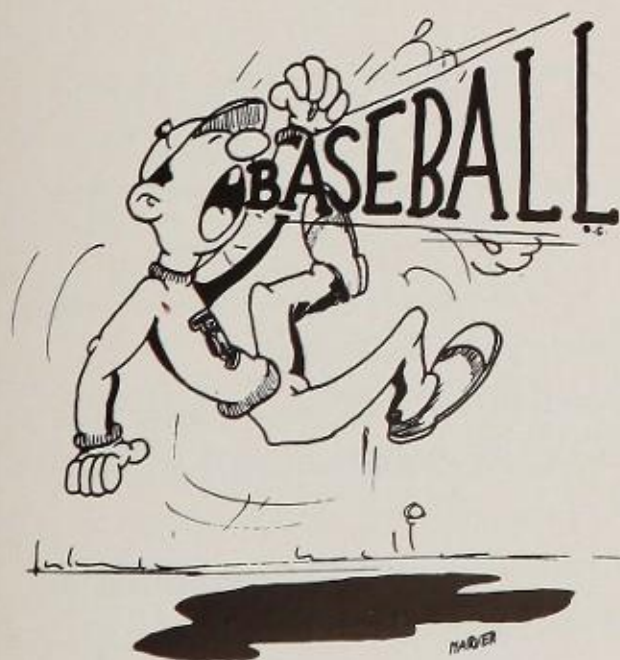

Inglewood's team handed the cees a 42-35 trouncing in a meet held on the Norman field.

The Inglewood relays brought forth another loss for the cees as they wound up in third spot behind Samohi and Leuzinger.

In the Bay league finals Bob Iverson was the "big noise" for Beverly, taking firsts in the 660 and low hurdles. Beverly had a total of 27 points in the finals to 38 for Inglewood and Santa Monica, who tied for first place. Other scores were Redondo with 18 and Leuzinger with 14.

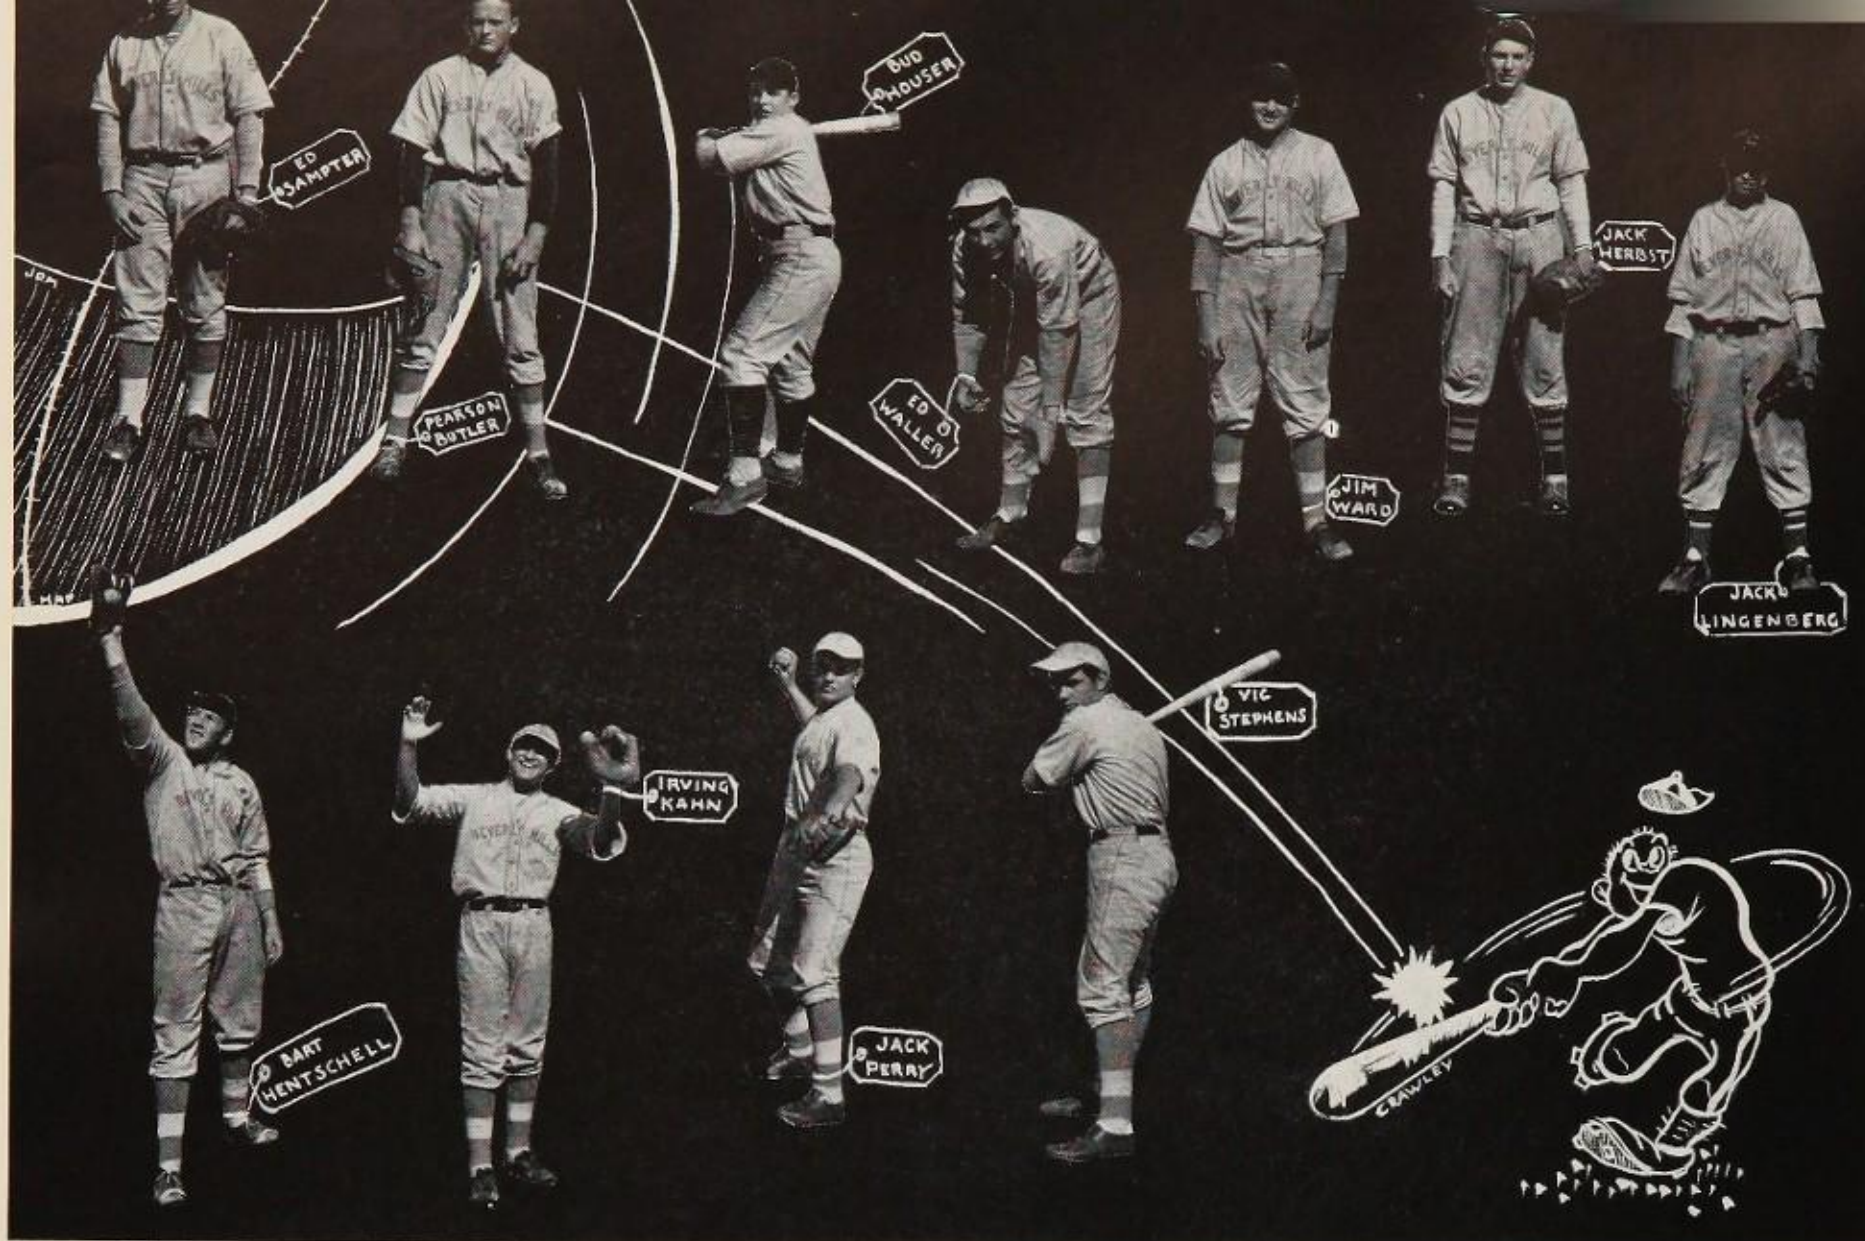

COACH JOHN CANADY—Tough luck again dogged the trail of Coach Canady this year when for the fifth time in as many years he was forced to build his team with green and inexperienced men. The characteristic congenial smile on Canady's lips, even after defeat, was found pleasing by the discouraged ball players.

CAPTAIN RALPH HOOVER—There was no doubt that Hoover was the best man on the team for the position of captain. His leadership ability was never questioned and although he wasn't the best ball player on the squad, "Cap" Hoover could always be counted on in the pinches. His constant line of chatter and pepper will be sorely missed next year.

Norman Horsehiders

● Once more "old man jinx" scented the trail of the Beverly Hills baseball team and once more this jinx dogged the steps of the Normans, giving an unhelping hand wherever needed and enabling Coach John Canady's boys to set a new Bay league record for having the most consecutive league losses.

Faced with the prospects of a winning ball club and stopping the terrific losing streak which has now reached the grand total of twenty league tilts, the Normans got off to an auspicious start when they came through with an opening victory over the Strong Hamilton Yankees, who later won the Western league title, 9 to 2.

After dropping the next five games, the locals, sparked by Ralph Hoover, Ed Sampter, and Jack Perry staged a last-inning uprising that found them taking a 6 to 5 decision from the U.C.L.A. frosh.

Another final inning rally gave the Normans a win in the final practice game of the season, when Lucky Kahn's home run and triple led Beverly to a 7 to 5 victory over the University Warriors.

Although Coach Canady loses eight lettermen via graduation, he will build his team for next year around five veterans that promise to form the nucleus of one of Beverly's best ball clubs.

Bud Houser will be back at second base where he has cavorted for the past three years. Bart Hentschell will again handle the initial sack and Vic Stephens, a classy short stop, might try his hand at pitching, thus rounding out the infield.

While the pitching and catching staff will be weak from the lack of reserves, two outfielders in the form of Jack Lingenberg and Tom Gibbon will return, bolstering up the squad considerably.

REDONDO, 7; BEVERLY, 2—Six errors by his teammates spoiled a no-hit, no-run game for Redondo's Jack Bastien in the first league game of the season when the Normans took advantage of four miscues in the second inning to score their pair of runs.

Ed Sampter started on the mound for Beverly, but was yanked when he walked five straight men in the third canto. Pearson Butler took over the duties and allowed only one run the remainder of the game.

SANTA MONICA, 9; BEVERLY, 0 — Bespectacled Jerry Alford of the Vikings pitched three-hit ball to win his second consecutive game of the season, putting Samohi in the Bay league lead.

Pearson Butler started on the hill for the Normans but was replaced by Sampter in the fifth stanza. Sampter started off well but grew wild in the later innings. Sampter, Lucky Kahn, and Tom Gibbon were the trio who managed to get base hits for the Normans.

LEUZINGER, 13; BEVERLY, 3—The Leuzinger Olympians moved a notch nearer to the Bay league championship when they gave the Normans their worst drubbing of the season. Doral Gmur allowed only three hits as his teammates bunched eleven hits from Sampter and Bud Houser.

Kahn slapped out a triple, leading the Beverly boys at bat. Vic Stevens and Jack Lingenberg were the other Normans to crack out bingles. The Normans committed six errors while Leuzinger did likewise.

COMPTON, 7; BEVERLY, 0—Jack Paepke's blazing, fast ball was too tough for Beverly to solve, when the Compton chucker struck out 14 Normans and allowed only one hit, sending the locals a little deeper into the league cellar.

Benny Bonnell, Compton third baseman, grabbed hitting honors for the day, getting three for three. Butler pitched the whole game for the Normans, allowing ten hits. Kahn's single in the first inning spoiled a no-hitter for Paepke.

INGLEWOOD, 4; BEVERLY, 0—Inglewood's sophomore pitcher, Newell Oestreich, closed the Bay league season in a blaze of glory when he entered baseball's "hall of fame" by pitching a no-hit, no-run game against the hitless Normans.

While Oestreich was striking out eleven Normans, his teammates slapped out seven hits from Sampter and Butler. The Sentinel's right-fielder, Clary Truehill, cracked out two for three to be batting hero. Not one error was charged up against the Normans.

Varsity Swimming Squad

● The barrel-chested form of Harry Perry, captain of the Beverly Hills swimming squad, once again brought individual honors to coach Sax Elliot's Norman mermen during the 1940 season when he won the Southern California diving title for the second straight year.

Although Perry went through the season undefeated and was easily one of the outstanding swimming stars on the Pacific coast, the local swimmers had to be content with second place honors in the Bay league finals.

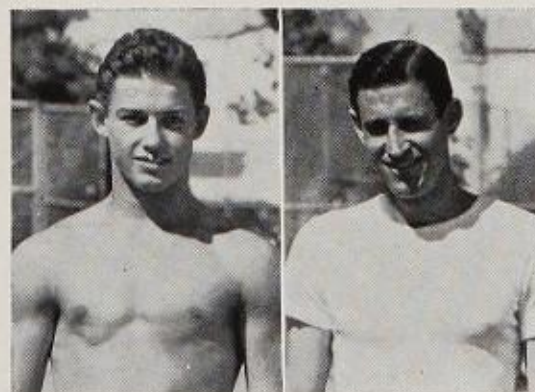

Dick Narver, stellar Beverly sprint man, was the only other gold medal winner in the finals when he copped the 100 in the fast time of 58.9. Narver also took a second in the 220 with Bruce Smith placing third.

Beverly opened up the season with a 53 to 22 win over the Marshall swimmers as Narver and Perry were the shining points of the victory.

With Perry taking the only first place in the Southern California relays, the Elliotmen entered into Bay league competition with the championship-bound Inglewood squad and lost their only dual meet of the season, 49 to 26.

Henry Krisel, John Twitchell, and Tom Perry stood out as the Normans defeated the strong UCLA frosh, 40 to 35, and the trio also accounted for quite a few points when Beverly sank Leuzinger 55 to 20.

Taking Santa Monica, Redondo, and Mt. Carmel into camp, the Normans finished the season without a defeat.

● After going through the season with just a so-so record, Beverly's bee swimming squad found itself outclassed in the Bay league finals, when they managed to capture fifth place.

Although Al Wolff, Don Frisbee, Danny Morgan, and Paul Jesberg came through with many important points, the

rest of the positions were fairly weak, forcing the Normans into the lower division.

Elliot's Norbabes brought victories home when they defeated Santa Monica, Mt. Carmel, Leuzinger, and Redondo, but all, with the exception of Leuzinger, finished ahead of the locals in the finals.

The 36 to 29 win over the Samohi Vikings was one of the biggest bee upsets of the year as Frisbee and Jesberg stole the spotlight.

m i d g e t m e r m e n

● A small but mighty cee swimming squad with Dick Weevil, Johnny Moffet, Sammy Goldwyn, and Rube Wolff in the starring roles fared slightly better than the bees, when they finished fourth in the Bay league finals.

A strong Marshall squad nosed out the Normans 20 to 19 in the opening meet to give them their first of three dual meet losses. The other defeats came at the hands of Inglewood and Redondo in league competition.

The fast four-man cee relay team, composed of Weevil, Gray Delmar, Jack Huff, and Roger Horack, came

through with an unexpected victory in the Southern California relays for the only midget win. Victories over Leuzinger and Santa Monica rounded out the season for Elliot's juniors.

Racketeers Steal Crown

● Probably the greatest tennis team ever to represent the orange and white of Beverly high is Coach Kenny Mitchell's 1940 Bay league championship racket squad. Only one team, and that a championship one, was able to penetrate the powerful Norman squad this season.

Opening their season on the home courts, the mighty orange and white team was victorious over an inferior Montebello team 11-0.

In other practice matches the Beverly team won over Washington, Fairfax, South Pasadena, Manual Arts, and Hamilton. Their only loss came at the hands of the star-studded Santa Barbara team.

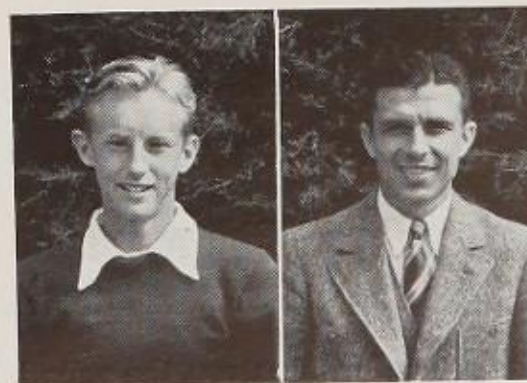

At the opening of league play, Captain Kenny Nichols, Vincent Fotre, Bobby Forbes, Louie Vosburgh, Walt Dunn, Jerry Fine, Jonas Ringer, Dick Jones, and Johnny Bauer were ready to lead the Norman team to its championship.

In the first match the Redondo team bowed to the boys from Normandy 96-21 in a one-sided affair. Following their victory over the Seahawks, the Normans met and defeated Samohi, who previous to the Norman reign, were champions for 14 straight years.

The third match brought an easy victory for Coach Mitchell and his team, winning as they pleased by an overwhelming margin.

Beverly met a tough team in Inglewood, but came out on the winning side 85-58. Starring for Beverly was its top player Vincent Fotre, who defeated Bud Abbott, number-one Sentinel player.

In the CIF play-offs Beverly advanced to the semi-finals before losing a close one to Santa Barbara, to taste its second defeat of the season.

Golfers Map League Title

● Showing more consistency than any of Beverly's athletic teams, Coach Dennie Peterson's 1940 golf team again turned the trick and was victorious in its quest for the Bay league crown.

This championship gives Beverly four Bay league titles in five years of league competition. Only one letterman, Jack Tobin, greeted Coach Peterson on the opening day of practice. However it didn't take long for the golf mentor to round out a title-winning team.

After several practice matches, which included an easy victory over the Hamilton tee-splitters, Normandy's powerful golfers took the victory trail and opened their championship campaign.

Playing their first league match at Rancho, the Normans' home course, Beverly took a 64-stroke victory from Samohi. In a return match at Brentwood, Beverly won a 47 stroke victory to take the series.

Taking two more victories, the Normans continued their championship ways when they defeated the Redondo teemen. The first match brought a 33-stroke win, and the return match was won by 78 points.

Leading the Beverly team in their toughest match, Jimmy Blodgett and Fred Briskin led the team to victory in a couple of close matches with Inglewood. In the final league frays the Beverly squad swamped Leuzinger twice.

Entering the Southern California play-offs, the Normans defeated Pasadena JC 31-5, and at press time for this story, the squad had cinched a place in the championship finals.

Musclemen Top CIF Finals

● Harry Perry, husky Beverly Hills gymman and Southern California champion, once again led the Norman musclemen to their third straight CIF championship when he copped two first places, helping the locals to win a landslide victory over Santa Paula, Long Beach Poly, Inglewood, and Harvard.

Coach Sax Elliot's gymsters finished 31 points ahead of the second place Santa Paula squad with Long Beach, Inglewood, and Harvard following in that order.

Besides Harry Perry, Tom Perry, Howard Frace, and Eldon Robinson all walked away with first place medals, with Fred Baker, Lyle Randolph, Hap Thompson, and Kim Allison grabbing second spot honors. Walt Purves, Ed Stella, Chuck Bollar, and Gene Wells were the other point scorers for the Normans.

With the exception of its first meet, which found Beverly on the losing end of an 85 to 24 ½ score, the Normans went through the season with an undefeated record.

A trek to Santa Paula was not wasted by the Normans when they raised the victory flag for the first time, taking the Tartars into camp with a 71 ½ to 63 ½ score. A four-way meet with the UCLA frosh, Harvard, and Inglewood once more found Beverly on the winning end. Another four-way meet, this time with the USC frosh, Inglewood, and Harvard gave the Normans their third victory.

Santa Paula returned the Normans' visit, but Beverly did not live up to the tradition of a typical host when it once again found the Tartars an easy mark, this time by a 81 ½ to 53 ½ score.

With Harry Perry emerging high point man followed by Hap Thompson and Walter Purves, the Normans wound up the season with an 83 ½ to 46 ½ victory over the strong Long Beach Poly musclemen.

FIRST SEMESTER

● The fall season of the GAA started off with the annual Jolly-up held at Roxbury Park. The theme of this affair was to get the new girls acquainted with the old and to renew friendships of people who had been separated during the summer.

On December 9 the next big event of the fall season, the basketball playday, took place. In this, teams from Montebello, Woodrow Wilson, and Burbank competed. After a morning of basketball, the girls enjoyed a community lunch and then went ice skating for the duration of the afternoon.

On October 27 the annual Spinsters' hop was held in the girls' gym. Sweet music was supplied by Gail Sponselor and band. A harvest theme was carried out with hayseed and cornhusks as the proper atmosphere.

This first general meeting of the season was held January 10. The theme of the meeting was tennis. The guest speakers were Alice Marble and Eleanor Tennant, who gave a tennis demonstration which proved to be very enlightening.

In the GAA the president and vice-president are the only officers that are changed at mid-semester. Dorothy Pagen, stellar president for the fall semester, ably held down her job. Jean Hogan was vice-president and in this capacity gained valuable experience toward being president in the spring semester. This group is sponsored by Mrs. Mary Herron. The rest of the GAA board is permanent for the whole year. The board is made up of the managers of the sports as well as the organization officers. The board consists of Pat Cooper, secretary; Ann Paulsen, assistant secretary; Marylinn Magrill, tennis; Pat Brauel, riding; Jane Earl, badminton; Pat Young, bowling; Betty Peterson, ice skating; Ann Jacobs, golf; Mary Raphael, basketball; Muriel Simmonds, dancing; Beverly Rogers, swimming; Elinor Ingram, song leader; Gerry Fenning, decoration chairman.

SECOND SEMESTER

● Being equally as active and successful in the spring season as the fall, the GAA started the semester with the usual Jolly-up to acquaint the girls with each other and the school. This affair was held February 19. Moving pictures were taken in the gym and afterwards the girls played badminton.

For the second semester the board remained the same with the exceptions of the offices of president which was filled by Jean Hogan and of vice-president which was taken over by Dona Sue Finnen.

On April 27 was held the All-Bay league playday in which Santa Monica, Inglewood, Redondo, Compton, El Segundo, and Beverly took part. The playday is an annual affair, and the location is rotated to a different school every year. This is the first time it has ever been held at Beverly. Many authorities on girls' athletics from UCLA, LACC, and Pomona said it was the most successful and had the best organization of any that they had seen.

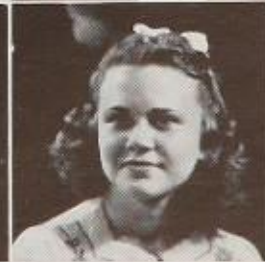

There were more than 1000 girls at the playday besides the 65 special guests. The Alphas were the receiving committee and acted as hostesses. Mrs. Mary Herron, GAA sponsor, was in charge and with the help of Mrs. Anna Wilson, Miss Janet Patey, Miss Ethel Tobin, and Miss Karen Burt, gym teachers, the playday was a great success. However, the gym faculty agreed that without the help of Jean Hogan, one of the best presidents the organization has ever had, and the rest of the girls who co-operated willingly, the playday could not have been successful. The girls worked in committees, and the help from the art department and the foods department was voluntary and indispensable.

There was competition in basketball, baseball, hockey, speedball, tennis, badminton, archery, and recreational games.

The big event of the day was the posture parade in which the schools competed. Santa Monica won first place, Beverly came in second, while Redondo took third honors.

Committees for the day were luncheon, Miss Olive McClure, Miss Corinne Pyle, Dona Sue Finnen, Jean Hogan, Beverly Rogers, and Ann Paulsen; concessions, Betty Peterson, Barbara Haughwaut, Billie Haughwaut, Helen Osgood, Evelyn Sutton, and Ann Jacobs; programs, Pat Cooper; check room, Pat Young, Sylvia Kittel, and Marylinn Magrill; program and rally in auditorium, Jean Hogan and Eli Ingram; information booth, Mary Raphael; equipment, Pat Brauel; decorations, Gerry Fenning; sign and clean-up, Pat Young, Sylvia Kittel, Pat Brauel, Pat Cooper, June Merrill, Ann Jacobs, and Ann Paulsen.

● Basketball, the first sport of the fall season, has a larger turnout among Norman girls than any other sport on the GAA calendar. Basketball teams play inter-class games and in this way the all-star teams are selected. It is sponsored by Miss Janet Patey, coached by the entire girls' gym staff, and managed by Mary Raphael.

All-Stars: Ruth Dewan, Ann Jacobs, Pat Skeehan, Martha Darbyshire, Eleanor Black, Mary Pabst, Barbara Berry, Jane Warren, forwards; Mary Sloan, Beverly Daley, Agnes Dewan, Elinor Ingram, Martha Jarvis, Carol Carpenter, Sue Sproul, Mary Raphael, and Audrey Berglund, guards.

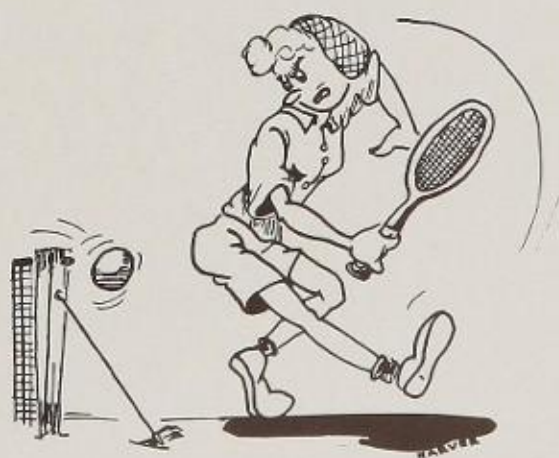

T e n n i s

● The Bay league tennis team is sponsored by Mrs. Anna Wilson and managed by Marylinn Magrill. The tennis team has had practice matches with all Bay league schools, except Compton, as well as Marlborough and Westlake. It has defeated Redondo, Leuzinger, and Inglewood in league meets.

The season begins with round robin tournaments among all the players. By this system every girl plays every other girl and the contestants are ranked in order. After the teams have been chosen any girl can challenge the girl above her. If she wins, she is advanced; if she loses, she retains her original position.

The teams now stand as follows: Jean Tobin and Helen Jones, Pat Brauel and Pat Cooper, doubles; Marylinn Magrill, Ann Paulsen, Anita Granich, June Merrill, and Nancy Whedon, singles; Connie Roesse, Doris Gillespie, Sally Brown, Mary Raphael, and Ellen Kibby, substitutes.

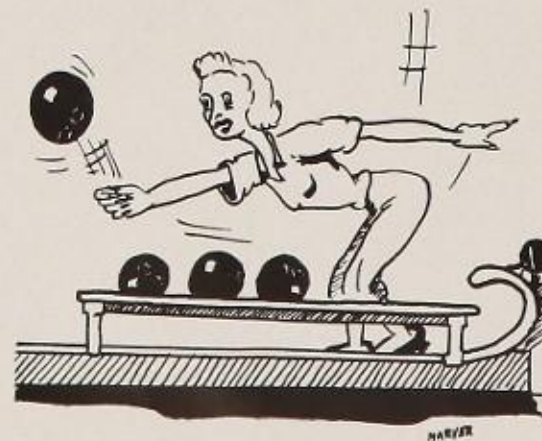

G o l f

● Sponsored by Miss Pauline Everett, Miss Marion Long, and Miss Vernabelle Saint, the Girls' Golf club is an outstanding part of the girls' athletic curriculum. The Golf club meets each week at Westwood Golf course. In April the members had a tournament with the UCLA golf team and an annual tournament with Redondo.

The manager and spark plug of the team is Ann Jacobs. Among the top ranking players are Helen Jones, Doris Jones, Dorothy Ureles, Doris Barber, and Pat Peluso.

B o w l i n g

● The Bowling club, whose 65 active members are distinguished by their red sweaters, is sponsored by Mrs. Mary Herron and managed by Pat Young. Its season lasts from December 8 to April. The tournaments last three weeks, and the girls work both individually and in teams. These tournaments were won by Pat Skeehan, Jean Steiner, Emily Cousins, Eve Bowker, and Doris Stark. Winning teams and individuals won medals for high point honors.

I c e S k a t i n g

● The Ice skating club, ably sponsored by Miss Janet Patey and managed by Betty Peterson, meets twice a week at the Pan Pacific Ice Skating rink. Many novel activities such as inter-school broomstick polo and musical chairs are enjoyed. One of the most important events of the season was a breakfast skate, held at Westwood Ice gardens. As the club is co-educational, both boys and girls attended.

R i d i n g

● The Norman Riding club, one of the most active groups in the GAA, meets at Dupee's stables every Wednesday, when members vie for high point honors. Also known for its crack drill team, this club is sponsored by Mrs. Anna Wilson and is managed by Pat Brauel. Early this semester the girls participated in a riding show given by Santa Monica which Beverly won by points. That meet was returned to Santa Monica on May 25.

Modern Dance

● The Modern Dance club is one of the most unusual clubs in Beverly. Miss Karen Burt, sponsor, is nationally famous in her field. The club is made up of a group of girls who want more dancing than their gym period permits. They meet twice a week and practice toward being a professional group. The officers are Roberta Stevenson, president; Caroline Grover, vice-president; Donna Sandler, secretary-treasurer; Muriel Simmonds, GAA representative.

Badminton

● Although co-educational, the Badminton club is sponsored by the GAA. Highlight of the season was a match played with Burbank. This was lost by the Normans by a score of seven matches to five. The winners of the mixed doubles tournament were Edna Bennett and Phil Jacks. The faculty sponsor is Miss Ethel Tobin. Edna Bennett is the girls' manager, and Roger MacNeil is the boys' manager.

Sponsors

- Mrs. Mary Herron (extreme left) sponsors the GAA board and teaches sports and body mechanics.
- Miss Ethel Tobin has the corrective and self-inventory classes in gym. She also heads the badminton club.
- Miss Karen Burt is nationally famous in the art which she teaches, the modern dance.
- Miss Janet Patey heads the ice skating club, sponsors GAA basketball, and teaches regular sports.
- Mrs. Anna Wilson, head of the girls' gym department, sponsors riding and tennis.

● Every loyal Norman earnestly pursues his studies for five days each week and anxiously looks forward to the week-end. Here he is able to really forget his worries and "get away from it all" at dances and other social gatherings.

Whether he is active or inactive, dressy or casual, happy or sad, he is sure to be able to find some sort of amusement which will provide him with fun and frolic. It is the tradition at Beverly for each club to present an annual or semi-annual party, which may take the form of a banquet, dance, tea, or just a glorified club meeting. Therefore it is evident that each student has ample opportunity to join in numerous social get-togethers right at school.

On these pages are shown some of Normandy's sons and daughters at some favorite local "spots."

Fun and Frolic

● During the year the student body has sponsored several dances, as have other school groups and organizations. The Girls' league started the social ball rolling in October when they gave their party for new students, and soon after the Knights and Little Bees presented their respective dances. In December there were two outstanding social affairs: the student body dance and the Alpha dance, both held before Christmas vacation.

These were followed by the semi-annual Senior A-B prom, the Big and Little Sister party, and, in the spring, the Alphas and Knights merged to put on the gala A-K dance. Towards the end of the school year the Freshman class staged its annual class hop, and as the last school dance of the year, the final Senior A-B prom was held.

PALLADIANS

● The Palladian society, Chapter 185 of the California Scholarship federation of which there are 200 other chapters in California high schools, reached a new peak this semester by setting a new record of the largest membership in the history of the school.

The Palladian Society is the highest scholastic organization at Beverly. Its purpose is to encourage high ideals of service and to foster high standards of scholarship among the students. This purpose is encouraged by the offering of scholarships to California colleges and universities to students with high scholastic and excellent citizenship records.

ALPHAS

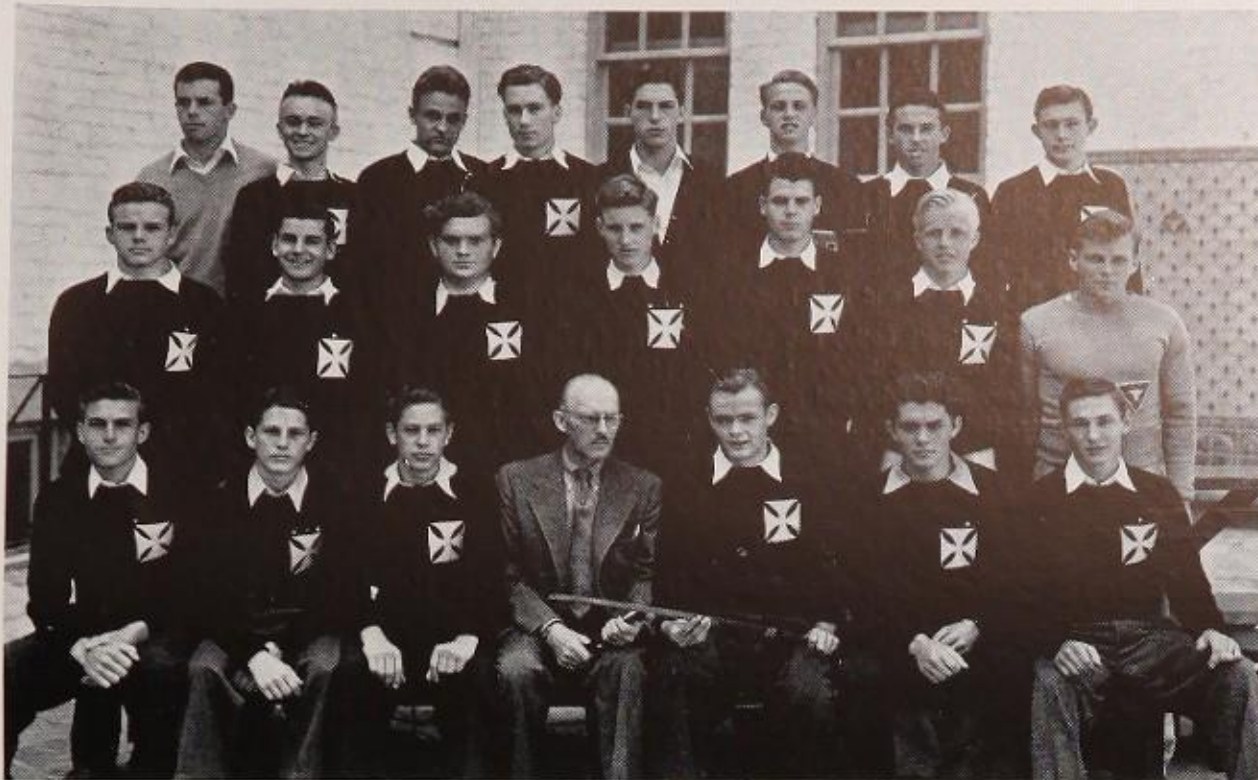

● The girls' honor society, the Alphas, for girls outstanding in scholarship, organizations, and activities, is the goal of every girl and is the highest honor she can attain. Every upper grade girl is eligible for membership, unless she is a member of a secret sorority. There are two requirements for eligibility. One is to have a B average; the other requirement is to be recommended by three faculty members. After fulfilling these two requirements, a majority vote by the members is needed.

The aims of the Alphas are to give willing service and to participate in school activities. The philanthropy work of the society is done at Thanksgiving when the girls send food baskets to the needy, at Christmas through their help at Albion Street school, and during the year through a special fund in the office of the girls' vice-principal which is used to give girls financial aid.

During the fall semester the girls, sponsored by Mrs. Blanche Davis and Miss Margaret White, gave their annual Alpha dance. This semester, sponsored by Mrs. Isabel Wadsworth and Miss Margaret White, the Alphas presented their annual benefit tea. Also, in the spring semester the Alphas and Knights combined to give the A-K dance.

KNIGHTS

● To become a Knight is the highest honor any high school boy can receive. He is chosen for outstanding sportsmanship, for dependability, for service, for scholastic attainments, and for citizenship throughout his school career. The purposes of the Knights are to combine a worthy group of representatives from all recognized school activities, to encourage and reward exceptional service to the school, to promote loyalty, and to foster the spirit of fellowship within the organization and school. The Knights also co-operate with the Boys' court in the problem cases and aid in promoting better attention and order in all athletic contests, assemblies, and student gatherings. The Knights are under the sponsorship of Dr. Lowell Frost. Mr. R. G. Mitchell, Mr. Arnold Bowhay, and Mr. James Lee are honorary members.

This year the Knights were responsible for the establishment of what is to be an everlasting tradition at Beverly, the newsreel. They financed "Camera" the first semester from their own treasury and the second semester by a sale called "The Darch of Mimes." During the fall semester the Knights held their annual dance at the Riviera country club, and in the spring semester the Knights and Alphas combined to put on the first A-K dance ever held by the two clubs at the exclusive Beach club.

OH! BO LIFE

RAT BONE

A cartoon illustration of a man running late to class. He is carrying a large stack of books and papers, and is looking back over his shoulder with a worried expression. The text "FIN BA RO" is written in the top right corner, and "LATE TO CLASS?" is written in the bottom left corner.

A black and white cartoon illustration. At the top, the text 'STUDYING HARD FOR A TEST' is written in a bold, sans-serif font. Below the text, a student is depicted lying on their back, propped up on one arm, reading a book. They are wearing a graduation cap and gown. To their left, a large clock face is visible, showing the time as approximately 10:10. Several books are scattered around the student, some open and some closed. The background is simple, with some lines suggesting a desk or floor. The overall style is that of a classic comic strip.
